At the annual meeting held in Hammond, May 20, 1924, I was elected President of C. S. L. and accepted. After investigation and finding the office was one of great importance and that it required some one who could devote more time than I could to it, I felt that in justice to the Diocese I should not presume to act, therefore I sent my resignation to Bishop White and at a meeting of the C. S. L. Board held in Wauwasee during the summer school, my resignation was accepted.

Respectfully submitted,

Mrs. W. J. Cordick.

MICHIGAN CITY DISTRICT

The District meeting of the Church Service League, the Michigan City District, met at Indiana Harbor, Oct. 22, 1924 with 37 present. The meeting opened with the singing of hymn No. 253 followed by the Litany of Missions.

Resolutions, Chairman— Mrs. Barwel-Walker, Mrs. William Meade, Mrs. J. K. Brennan.

Nominating Committee— Chairman, Mrs. Witt, Mrs. Walker, Mrs. Hulst.

A motion was made and carried that we hold our next District meeting in Gary. Mrs. Fickenscher, President of the Church Service League, talked splendidly and helpfully on the plan of the Church Service League, its organization and work from each organization, and conducted a conference, giving the delegates an opportunity to ask questions. Mrs. Fickenscher made a special plea for Young People's Societies, urging the members to give this special thought and for the sake of the future of the Church to try to organize the young people of every parish.

Mrs. Royce then outlined the Mission Study book, "China's Real Revolution", followed by Mrs. Walker who read a splendid paper on the U. T. O.

The offering was taken which amounted to \$8.90. While the offering was being taken Mrs. Macintosh sang beautifully.

Noon day prayers were said and the meeting adjourned for luncheon which was served by the ladies of St. Alban's Church.

The meeting was called to order at 1:30 by the Chairman, Mrs. Gallaher. Mrs. Fickenscher announced the annual meeting of the C. S. L. for January, 1925.

There was much discussion about the time of meeting and a vote was taken, a motion was made, seconded and carried that the annual meeting be held in May instead of January.

Mrs. Royce then reported the Annual Meeting of the House of Church Women and the Provincial Synod, held at Racine, Wis., Oct. 14—15—16, giving details of the program. Mrs. Fickenscher added to the report by reading Mrs. Robinson's questionnaire on Social Service Work.

Mrs. Gallaher then introduced Rev. L. W. S. Stryker of Youngstown, Ohio, who talked on Missionary work. He talked on Americanization, referring especially to the Italian Church in Youngstown, and stressing particularly the young people of foreign born parents, and the need for us to help and encourage them in the church.

He then talked on the work of the church connected with the people of color in the world. He said, "One hundred years ago, if it had not been for the abuse of the colored man, we would not now have the problem we have."

Detailing the story of the colored race, and our work in connection with it, he made an earnest appeal for understanding, for sympathy, for help, for these colored brothers, impressing us with the wonderful opportunity of furthering God's Kingdom in Liberia, in Cuba, in Haiti, in Porto Rico. He talked of our own South, its problems, and opportunities and said "Our schools were doing twice as much for the colored race as any others."

The Resolution Committee then made their report which was accepted.

The Nominating Committee submitted the following: For Chairman, Mrs. J. B. Schick; For Vice-Chairman, Mrs. Howard Adams; For Secretary, Mrs. William Meade.

It was moved and seconded that the Secretary be instructed to cast a unanimous ballot for these officers. Motion carried.

The Secretary read the minutes of the meeting which were approved and accepted. The meeting adjourned.

Respectfully submitted,

Mrs. G. U. Brugham, followed with a most interesting talk on the U. T. O.

Noonday prayers were said by Arch Deacon White. The offering was taken at this time, amounting to \$10.47. At this time a motion was made properly seconded and carried that we call the fund the Educational Carry-on Fund and devote to the work of Mrs. Royce, our religious life for the World at large.

Rev. L. W. S. Stryker of Youngstown, Ohio followed with an intensely interesting talk of work among the colored people of Liberia of the Islands around the Carribean Sea, and of the South giving the characteristics of the people. That they were highly emotional and wonderful people to lead that they must have dominant guidance of love and understanding to reach them and also the great need of Christian Education. Mrs. G. U. Bingham of South Bend was elected Chairman, Mrs. E. P. Chapin, of South Bend, Vice-Chairman; Mrs. Hitchcock of Plymouth, Secretary.

Mrs. Walter Muessel,

Secretary.

THE FT. WAYNE AND DELPHI DISTRICT

The meeting of the Church Service League of the Diocese of Northern Indiana was held at Trinity Church, Ft. Wayne, Friday, October 24, 1924. The program opened with singing of hymn and the Litany, read by the Rev. Fr. Rocca of Trinity Church, Ft. Wayne. A cordial address of welcome was given by Mrs. Edward Christman with response by the District Chairman.

Mr. Fickenscher, the Chairman of the Church Service League, outlined the work of the League, stressing particularly the importance of organization among the young people of the Diocese. Miss Goldthwaite aroused interest in "China's Real Revolution" the book to be used in discussion classes this year, and Mrs. Grant talked on the United Thank Offering. The Rev. Stryker, speaker of the meeting gave a most inspiring address on "Missionary Work of the Church."

There were 28 present: Ft. Wayne 12; Howe 5; Marion 4; Columbia City 5; Kokomo 2. Officers elected for 1925 were: Mrs. Leslie of Ft. Wayne, Chairman; _____ of Logansport, Vice-Chairman; Mrs. Teegarden of Marion, Secretary.

Mrs. C. J. Grant,

District Chairman.

CHURCH SCHOOL SERVICE LEAGUE

Diocese of Northern Indiana.

Report for 1924.

The year 1924 closes showing a slow growth in interest and giving on the part of the Church School throughout the Diocese. The slowness of growth, I am sure, is due to inadequate leadership. In order to develop the Church School work up to the point of efficiency it demands much more time and personal visiting than the present chairman is able to give. However there is some progress.

The one outstanding thing that was done in the Diocese this year, was the splendid course on Church School Service League work presented by Miss Mary L. Cook of Louisville, Ky., at the Wawasee Conference. It is the hope of your chairman to make this an annual training course for parochial leaders. Only in so far as Rectors and parish leaders take advantage of the courses presented at our Summer Training School, will the work of our Church Schools be strengthened.

Let me emphasize right here the importance of preparing long ahead of time for the Wawasee Conference. Every parish should provide some way of sending at least one worker in each field of activity for training at this Diocesan School. If we did this each year, we would have no difficulty in finding leaders.

The Box Work shows an increase. We sent the equivalent of 900 gifts this year. Because of the duty on shipments to Japan, many schools sent money instead of gifts. The best thing about our box work is that TWO NEW schools took allotments this year. This is encouraging. 18 schools joined to celebrate our Blessed Lord's Birth by making others happy.

The amount of our Birthday Offering has increased over last year. We have up to date, \$59.30 in hand, and at this rate we shall go to the 1925 Triennial with about four times the amount sent to Portland. But this is being done by FIVE schools. Think what it would mean if EVERY school in the Diocese did its share.

These are the only items upon which I can give very definite reports, as it is too early to have the Parish Reports all complete. I am hoping several parishes will report Little Helper's Departments.

There are still some few parishes which prefer to live unto themselves and to do things in the same old way, rather than to enter into the larger program of the Church. For these few we can continue to pray. In general there is an increasing desire to know the way and to walk in it. If we go on step by step we will soon take our rightful place near the top.

The compiled Reports of the Church School Service Leagues throughout the whole Church, show that in the Fifth Province, our own province, that the Diocese of Northern Indiana ranks

8th in Birthday Thank-offerings.

9th in Christmas Box Work,

7th in Lenten Offerings, and

9th in the total amount given.

Is it too much to hope that we shall change our standing? Is it too much to ask that everyone make an earnest effort toward that end? No, for we of this Diocese are capable of better and greater things.

Respectfully yours,

Jan. 12th, 1925.

Chairman, C. S. S. L.

REPORT ON YOUNG PEOPLE'S MOVEMENT

Dear Friends
and Fellow-workers
in Christ Jesus:

You are anxious to know what has been done in what is known as The Young People's Movement in the Diocese of Northern Indiana. One might briefly say, "Very Little." But as it is, it is going to take quite a great many words to say "Very Little".

The first step taken in direction of promoting interest and organization among the Young People of this Diocese, was the arranging for a Young People's Convention in connection with the Wawasee Summer Conference on June 21, 22, 1924. Owing to the fact that this Conference is now an inter-diocesan conference, the Young People of the Diocese of Indianapolis as well as those of our own diocese were called together.

This convention was attended by the following representatives, Mr. Howe from Trinity, Ft Wayne; Miss Ada Rice, Miss Mildren Warronder from St. Andrew's, Kokomo, and myself as representing our own Diocese. From the Diocese of Indianapolis, there were the following delegates, one from Lafayette two from Terre Haute, nine from Muncie.

With the approval of both diocesans, Bishop White and Bishop Francis, the Convention created what is known as the "Episcopal Young People's League of Indiana." A Constitution committee was appointed to draw up a constitution to be presented at the next convention, which is to be held at Lake Wawasee, June 14, 15, 1925, and officers were elected for one year, the offices being filled with representatives from each diocese, and an advisory council representing both dioceses was created.

Since the Convention, the Constitution has been prepared and is ready to be submitted to the next Convention.

In regards to diocesan activities, the Director of Y. P. sent to all rectors and priests in charge a letter calling attention to the importance of the Y. P. Movement, suggesting certain steps for organization, offering his services at any time and presenting each parish and mission with a copy of the official handbook of the Y. P., published by the National Council for the year 1924-25.

I received replies from this letter from Father Foster, rector of Christ Church, Gary; Father Brennan, Rector of Trinity, Michigan City; Father Schrock, Rector of S. James, Goshen and Father Rocca, Rector of Thinity, Ft. Fayne.

Summing up their replies, there seemed to be need of the director making any visits, since in most parishes there is either no opportunity for such an organization or else one is already in operation in a tentative way.

That is all that has been done. Now for the future. May I urge upon you individually and collectively the realization that the Y. P. movement is all important to the Diocese and to every parish and mission within its boundaries. It calls for a definite Diocesan Program. It also calls for the appointment of one who is freer to assume the opportunity that I am. Being responsible for the running of the Wawasee Conference, a member of every department of the Bishop and Council, and assistant secretary of

the Diocese, and incidentally rector of St. Andrew's, leaves little time and less energy to serve as Director of Y. P. I therefore shall urge the appointment of another person in my stead not because I am discouraged but because I already have more than I can accomplish and being at the extreme end of the Diocese it is both expensive and difficult to reach any part of the diocese, should I be invited.

I urge upon you that each one consider herself a committee of one in her respective parish or mission whose business it will be to see to it that at least one delegate attends the next Convention. Only by getting together the representative of our young people will it be possible to interest and encourage the movement. Only by individual co-operation on your part will these delegates get there. So pray do not fail to do your utmost to put it over.

I suggest that you take the matter up with some parochial organization that it finance the sending of such a delegate.

With request for prayers in behalf of our Young People's movement and personal interest and co-operation in it, I am,

Sincerely yours
CLEON E. BIGLER.
Diocesan Director of Young People.

SOCIAL SERVICE REPORT

The several notices in regard to the Annual Meeting in Miskawaka, tomorrow, have been duly received. I regret my inability to attend and also that I feel compelled to say, that it seems impossible for me to do the work of the Social Service Department as it should be. With the care of the house and family I have not the time to devote to it and for the sake of the work in the church, some one else in my place could no doubt "carry on" this most important activity.

However, may I make a suggestion to the convention, that they take a firm and decided stand on the Child Labor Amendment, endorsing the ratification of same to our State Legislature now in session, and furthermore, urging every parish priest to bring the matter before his congregation.

This is a **human problem** calling to Christian people, to spare the lives of millions of children in this country from commercial slavery and to give them the priveleges and blessings at least, of childhood, "for o' such is the Kingdom of Heaven".

With all good wishes for success in the meeting and for the coming year.

Very sincerely yours,
SUSAN EDSON WASON
(Mrs. James P. Wason)

WOMAN'S AUXILIARY

Minutes of the 27th Annual Meeting of the Northern Indiana Branch of the Woman's Auxiliary to the Bishop and Council.

The 27th Annual Meeting of the NoNrthern Indiana Branch of the Woman's Auxiliary to the Bishop and Council was held in St. Paul's Church, Mishawaka, January 14, 1925.

At 2:30 P. M. the President, Miss Alice Goldthwaite, opened the meeting with the Auxiliary prayers.

The Secretary read the minutes of two board meetings, held January 4, 1924 and September 15, which were acceptd.

The Secretary read the reports of 16 parishes and missions, which had been received and are on file.

Confusion which evidently exists regarding the making out of the reports by different parishes to distinguish the work of the Auxiliary from that of the entire Church Service League, was relieved by the explanation of Miss Goldthwaite who stated that while the C. S. L. was originally promoted by the Woman's Auxiliary, that now the auxiliary is only one unit among the others in the League. She very ably illustrated this by work done in her own parish in Marion. Questions were asked by delegates and answered so that the place which the Auxiliary holds is plain to all.

It was stated that the blue cards which had been sent to each parish would help in working in the five fields. Every one need not try to work in each of the five fields but each unit should. United Thank offering is work for the world.

The report of the parishes was corrected by having the guild work which had been reported, stricken out, and Mrs. Royce, moved that it now be accepted. Mrs. Campbell seconded the motion and it was carried.

Miss Green read the Treasurer's report which was approved and placed on file. The Soo Chow Scholarship fund was then taken up, Miss Goldthwaite explaining that while we had for a number of years been paying for a Scholarship for one of Mrs. Standring's Bible women, which had been \$20 a year, the cost of the Scholarships had advanced as has most other things and that now the cost is \$25 per year. Mrs. Standring has been paying some of these scholarships out of her own salary and of course that should not have to be.

Mrs. Grant's report was received and placed on file.

Mrs. Anderson's report of the W. A. Special was read and placed on file.

The President urged the delegates to see that the quotas for their several parishes be paid before July.

Mrs. Rayce, educational secretary then read her report which was approved and placed on file. The text books on China could be procured from Mrs. Royce for 50 cents.

Mrs. Meade read her report of what she thought should be done on social service lines, giving examples of the things which should be remedied. She also spoke about the pamphlets which are now available at the Church Missions House. Her report which will appear in the year book with the others was received and placed on file.

Miss Green reported that the Memorial fund has reached \$634.41, and this report was the occasion of the President's again speaking of the fund and what it might do for extension work in the diocese. She stressed the idea of an endowment by Churchwomen as a memorial of what they have done.

The Auxiliary started to-day in the noon-day prayers, to commemorate those who have departed during the year, Mrs. R. B. Wheeler of Elkhart, Mrs. Linnie Crawford from LaPorte, Mrs. Rebecca Irvine from Marion, and Mrs. G. S. Pomeroy from Mishawaka.

The Archdeacon offered that for every \$75 raised during the year he would give \$25 more. It was moved and carried that his offer be accepted.

Mrs. Cordick read the report of Mrs. Hitchcock, the Box supply secretary, and this report was approved and placed on file.

The rest of the time was taken up by the reading by Miss Goldthwaite, of greetings from the Church Missions House and the annual letter by Miss Lindley.

The different subjects to come up before the Triennial for discussion it was stated, that the executive board are at present working on, very carefully. Information about these questions would be available after the February meeting.

Questions which will be given immediate concern will be the Auxiliary Specials, Subject of Peace, and Bible study. Calendars of Bible readings were urged.

The subject of having an agent in every Parish to get subscriptions for the Spirit of Missions was brought up.

The report of Mrs. Pancoast of Bethlehem, Pa. who had raised \$20,000 by the sale of gold and silver was discussed, and Mrs. Muessel moved that any plan that the Auxiliary might make for raising funds by the sale of gold and silver be approved, this motion was seconded and was carried.

As the time was up and many members had to hurry away, consent was given for the reading of these minutes at a joint meeting of the boards of the C. S. L. and the W. A.

January 15, 1925

These minutes were read and approved at a board meeting held in the Y. W. C. A. South Bend, this date.

Respectfully submitted,

Board meetings attended 2.

Attended meeting of Wawasee Conference Committee in March at Kokomo.

In January, Miss Laura Boyer, Asst. Ed. Secretary conducted three Institutes on Japan in the three districts, one in Hammond for two days and one in South Bend for two days, and one day in Kokomo.

Every parish and mission was notified twice and urged to send leaders for Instruction.

These Institutes were very well attended except in the Ft. Wayne District, and those who came were well repaid, Miss Boyer, giving splendid instruction.

I arranged for text books and charts at each place of meeting, and sold about \$35.00 worth.

The Mission Book Store allowed me 25% which amounted to \$6.00 and which sum I set aside for postage.

Before Lent, I wrote to all parishes and missions, asking if they were planning Lenten Study Classes, and if not offering my assistance in planning them and enclosing mission study literature.

I received seventeen replies, Twelve reported having classes on some phase of mission work and five reported no success in study classes. During Lent, I organized classes in Hammond and East Chicago.

On October 15 and 16, I attended the Provincial Synod at Taylor Hall, Racine, Wis.

On October 22, I attended the meeting of the Church Service League of the District of Michigan City, and gave an outline of the year's Mission Study Book, "China's Real Revolution."

I also gave a detailed report of the Provincial Synod.

During the month of December, I wrote to parishes and missions but have received few replies. In concluding this report, I should like to recommend that some plan be made whereby the educational secretary may receive the correct addresses of newly elected, and all officers of the Auxiliaries as soon after elections, as it is possible to send them.

I should further recommend that this Auxiliary try to have an Institute held in each district at least once a year, with a trained and experienced leader to conduct it.

Respectfully submitted,

MARGARET M. ROYCE, Ed. Sec'y.

SOCIAL SERVICE REPORT.

As very few responses came in to the letters sent out to the parishes asking information on work accomplished along the line of Social Service, my report will deal with things that have been done and that can be done.

Dean Lathrop has said that he is constantly being asked for some concrete tasks in Social Service work. He says that in every town there is the dance hall, that needs investigating. In our diocese we have done and are still doing that thing. One of our committees found that intoxicated young girls were being carried out of a dance hall to an immoral house in the vicinity. We just stand paralyzed at the awful things going on about us and say, "What can we do?" We can have entertainments and movies and dances in our Guild Halls and Parish Houses and talk against and show them the evil effects of liquor. How unfair it is to our young people to let them go along unwarmed of the evils of blasphemy, smoking and drinking and late auto riding, letting them reason to their own destruction, never waking up until they find themselves perhaps behind the bars.

I attended the three Board meetings of the C. S. L. & Woman's Auxiliary. I attended the Summer School at Wawasee, and Miss Boyer's Institute in Hammond. I wrote twenty-five letters and put out pamphlets.

Last autumn we obtained from the church mission house pamphlets on Plain Points for Parish Practice, also on Suggestion for Programs for Parish and Diocesan. These were sent out to the parishes and organizations. The blue pamphlet on Parish Practice has many suggestions on what we can do at home under the leadership of a Parish Committee.

Have we read those and are we helping in community needs, as well as those in the diocese and nation? Many of our people observed the Golden Rule dinner about December 1st, sending the value saved from a regular Sunday dinner for the Near East Relief. The Armenians are our Church people and would be living in comfort if they would embrace the Mohammedan faith. What a dreadful thing if on account of our neglect so many thousands froze to death during a severe spell because their undernourished bodies were not able to withstand the cold. When the call comes from our own needy do we respond to the extent of our ability to do and give as we have been, done by and given? We should be willing to help on the Welfare hospital and other institutional committees and use our influence with the Rector and Vestry to have our Parish houses open for community meetings or to give a Sunday morning to Social Service talks by experts in the work. A direct way of getting near the people who need help is through the Rummage Sale.

This important piece of money raising church work may be made to help people feel unpauperized and still net a sum for the Guild. The buyers are usually of the poorer class and should be encouraged to buy warm durable clothing rather than the half worn flimsy silks and velvets so often desired by them. We can show the women that our part is to supply them with good second hand clothing as much to help them as to secure a nominal sum for our Guild work. It is well to visit with them. They will tell us of their church, school, their parties, recreations and dance halls and we can warn them of the various pitfalls we know about.

We don't hear much of the Humane Society now, but during the recent cold spell, there were many horses left unblanketed. They were brought into service then doing what the auto cannot do in deep snow and weather.

What a kindly simple thing it is to throw some bread and bones or leave some water warm and handy for the little birds during the snowy weather. Are we interested in our State Legislature and the Bills pending. We can show our interest in the Child Labor Amendment. Some of our dailies are trying to down it by their editorials. We can talk for it.

If all the Social Service work that is being done in our diocese were recorded, it would take a long time to summarize it. Don't let us hide our light behind a bushel. Send the items in so we may have credit for work well done. Some day when the long talked of Secretary comes to us visiting the different parishes finding our needs and recording our works we will have attained to an ideal Social Service program.

REPORTS

PRESIDENT'S REPORT FOR 1925

Dear Bishop, the Clergy and Delegates:

My activities of the C. S. L. last year cannot be regarded as progressive. Simply held office until the diocese could be reorganized. Collected, compiled and had year book printed and distributed.

Made two trips to Lake Wawasee during the Conference. One day spent at Miss Matthew's conference, one day at joint board meeting with the Auxiliary and C. S. L., one day at Y. P. Conference. Attended the district meetings. Had programs and notices of district and diocesan meetings printed and sent out.

Respectfully submitted,

Mrs. L. S. Fickenscher.

SECRETARY'S REPORT

I have sent out notices for all board meetings and have minutes of all board meetings. Have mailed out fifty Service Cards of the five fields of service and have sent out C. S. L. blanks for the annual meeting.

Mrs. Christman.

REPORT OF CHURCH SCHOOL SERVICE LEAGUE FOR 1925

This is the last time it will be necessary for me to give a report under the name of the CHURCH SCHOOL SERVICE LEAGUE. By action taken at New Orleans, the Church School Service League ceased to exist as a separate organization. This legislation does not really affect us because we never have been an organized league, but have functioned as the Service Committee of the Church School working with the Diocesan Department of Religious Education.

In rehearsing the events of the past year, there are two which stand out as the most helpful in carrying on the Service Work of our Church Schools.

The first is the Wawasee Conference. This past year the course on the Church School Service Program was given by Miss Vera Noyes, Supervisor of Religious Education of the Diocese of Chicago. Those parishes that were far sighted enough to send their leaders there for training have benefited greatly by it. Wawasee is our diocesan Training Camp.

Now is the time to make your plans for sending your parish workers. Every parish should send at least one Church School teacher for training each year.

The second event was the Teachers' Institute in November at Plymouth. At this time the entire Program was devoted to Church School Service Programs. There were 41 teachers present and the discussion was very lively.

Mrs. Gray represented us at the Tri-ennial and presented our Birthday Thank offering. I know you will rejoice with me when I tell you that the amount presented at that time was \$97.16 and that since that time another parish has sent to me a check which makes our total offering for the Tri-ennial \$104.66. This is a glorious increase over the offering at Portland of \$21.48.

Last year I reported \$31.45 from five schools. This year the children have contributed \$40.58 from nine schools. The check that came in late will not be shown in the financial report as it seemed best to have the report tally with the Tri-ennial Report and it will appear in 1926. I am sure if we all could have attended the wonderful service for the Presentation of the Birthday Thankoffering, every school in our Diocese would want a share.

Last summer, I appointed Miss Mary Cole of Marion as Box Work Secretary and she has done splendid work. She reports gifts sent by schools. There are more schools doing box-work than any other part of our service program.

After all that was said about the Little Helpers, last year, there is still only one parish that has any babies to report, Kokomo has 57. Why not have a few others in the diocese. Therein is the hope of the future.

I feel that we can truly offer a prayer of thanksgiving for the few parishes which have joined hands in the Diocese and are trying not only to train the children in the right way, but are helping to put our diocese on the map. We are improving.

The challenge I want to make to our Church Schools this year is a Diocesan Project of some kind. Let us work together and pray together and do something real to express our loyalty to our Diocese.

1925 REPORT ON YOUNG PEOPLE'S MOVEMENT

To the Officers and Delegates at the Sixth Annual Meeting of the Church Service League of the Diocese of Northern Indiana:

Greeting:

I regret that I cannot be present in person to make this report. I am glad to say that in some respects this year's report is an improvement over that of last year.

Let me begin with an account of the Y. P. Convention held at Lake Wawasee, Indiana, Saturday and Sunday, June 20-21, 1925. It was a distinct success in regard to both numbers and enthusiasm. There were from our diocese the following delegations.

Parish	Location	Delegates	Attendance	Registered But Absent
St. James,	Goshen	2	1	3
	Warsaw	1		
Trinity	Peru	1	2	
St. Andrews,	Kokomo	11	2	
St. James,	South Bend	10	2	
St. Paul's,	Hammond	1		
All Saints,	Wawasee	4	1	

From the Diocese at Indianapolis

Grace,	Muncie	15	5
St. John's,	Lafayette	1	
Cathedral,	Indianapolis	2	2
Advent,	Indianapolis	2	3
St. Paul's,	New Albany	2	
St. Stephens,	Terre Haute	2	1

In all there were, counting those on the program, Mr. E. E. Piper of Detroit, and Mr. Alfred Newberry of the National Council, 73 in attendance of whom 30 were delegates from Northern Indiana and 27 from Diocese of Indianapolis.

As you may recall there is a joint-diocesan organization of young People's League of Indiana. At this convention its Constitution was adopted and officers for the ensuing year were elected, and plans for the next Y. P. State Convention were made. This Convention is to immediately precede the Wawasee Conference.

Now that we have gone through the gymnastics of organizing, I wonder if it is really much more than a paper organization as yet. However there is good gained in assembling young people of the Church together, and I feel that this Annual Convention should be maintained if possible.

Last April there was a Conference of the Province held at Racine, Wis., which discussed the whole movement and prepared for the first Annual National Y. P. Convention, which was held last August at Racine, Wis. To both of these meetings, a delegate went from our own diocese, who represented both our diocese and the joint-diocesan organization.

The August National Convention was a good step in the right direction for the Y. P. movement, and out of it came an organization flexible enough to meet the needs of the Church as viewed through the eyes of our young people.

Now turning to the Y. P. movement in our own Diocese, brings us up against certain conditions upon which I wish to speak. First of all very little has been accomplished in way of increasing the number of parochial organizations for young people. About the only progress that can be reported is the increased attendance of our young people at the Wawasee Joint-Diocesan Convention, and the forming of a Y. P. group in South Bend, Indiana.

There are certain conditions prevailing in parishes and missions which make both the introducing and maintaining of the Y. P., very difficult. Sometimes it is a total lack of young people of those ages which belong distinctly to this movement, again it is the absence in a parish of young people of either one or the other sex.

Let us look the situation frankly in the face. Study of the movement and local conditions has revealed that what may be splendidly accomplished in Protestant communions along this line, is sporadically done in our own communion. They have no national organizations that conflict with such a movement. We have. There is the G. F. S., the B. S. A., the Daughters of the King, the Order of Sir Gallahan. Where these organizations, one or more in number exist in a parish, it is very difficult to interject another, which has practically the same aim (the bringing and keeping of young people in the Life of the Church. A priest is naturally reluctant to disband that which has proven of value to try something that is new and untried in his parish. The whole movement has a much greater problem to solve than appears at first on the surface.

I see great possibilities for the Y. P. movement. I see its need in many places. I know of parishes where it is a mighty force. But how to make a go of it throughout our own diocese is a perplexity.

Respectfully submitted,

Clem E. Bigler,

Diocesan Director of Young People.

Report of Periodical Club.

There has been a great falling off in this work in nearly every branch in this diocese, due primarily to the great increase in postage rates National Headquarters at New York is trying to have these reduced. In the meantime, can we not remember advanced in price, but we continue to eat and buy magazines and books and papers for our own instruction and amusement, and we still go to the "movies", though they now cost 25 cents, 30 and even sometimes 50 cents, where they used to be five and ten cents. Remember we used to call them "nickeldeons"? Looked at in this way, it would seem that we might also allow that our charities must cost us more too.

Since the Triennial the diocesan officer is now called a "director" instead of "Correspondent."

REPORT ON SOCIAL SERVICE CHURCH SERVICE LEAGUE, 1925

To the President and Members of the Church Service League:
Diocese of Northern Indiana.

Work in this very important Department of Church Activity is, as yet, in a very unorganized condition. Here and there, individuals, either by choice or necessity, have found themselves doing work of a social nature. But the Church, as a whole, has as yet not seriously set about either the acquiring of information as to the scope of its interests and work, or the method of applying its peculiar elements to the solution of those problems which are presented to it. This should not be wondered at. When we see how slowly progress is made in other fields, delays in this, a comparatively new sphere of work is not surprising. Consider the Missionary work. For years the Woman's Auxiliary has been working along with study classes and meetings, local, sectional and national to get to the point at which they have arrived. The same road must be gone over by those interested in futhering the work of the Church in its department. I wish, therefore, that, in all parishes, there might be formed small groups of Church people who would gather together for discussion and be the means of uniting their parish group with others taking such action as can be taken only by uniting.

I wish to report that meetings have been held under the Diocesan Department of Christian Social Service in Ft. Wayne, Elkhart, Hammond, Gary, Kokomo, Marion, Delphi, South Bend.

May I thank the members of the Church Service League for their assistance and urge their renewed efforts in this very large and important field.

Respectfully submitted,

H. R. White.

Mrs. J. R. Adams of Ft. Wayne then gave a report of the provincial meeting held at Racine, Wis., at which meeting it was voted to return to this diocese \$125.00 of the Carry-On fund, and that a plan for its use be submitted to the provincial officers. A general discussion followed as to what purpose this money should be used. Under new business Bishop Gray presented the following plans for the work of the women of this diocese.

WOMEN'S DIOCESAN ORGANIZATIONS

At the Annual Meeting of the C. S. L. in Marion on January 2th, the Bishop presented the following plan for co-ordination of the work of the women of the Diocese. There is no longer, if indeed there ever has been, a National C. S. L. At the Triennial in New Orleans we were told that although there was no National C. S. L. any Diocese which has a C. S. L. which is working satisfactorily may, if it desires, retain that type of organization. We have in this Diocese a C. S. L. largely on paper, and although it has four constituent parts, there is only one of any great size, namely, the Woman's Auxiliary, with the result that our Annual Meeting as well as the Joint Board Meeting consists of the same women with two sets of officers. This may not be technically so, but it is true in the practical working out of our present system.

The G. F. S., the Daughters of the King, and the Church Periodical Club are National organizations, to be sure, but there is only one great National Organization of Women of which, by action of the General Church, every baptized woman is a member. For baptism makes you a member of the Women's Auxiliary.

When at Detroit the new plan of organization came into the Church, we found ourselves in the air as to any connection between the Women's Work and the National Council, and Bishop Gailor saved the day by making that organization which had been the Woman's Auxiliary to the Board of Missions, Auxiliary to the Presiding Bishop and Council.

Your Bishop has given much thought and much prayer to this whole subject, and has consulted with many leaders, National, Provincial, and Diocesan. The Canons of our Diocese require a House of Church Women, but in many places this is being given up, and if it does not seem the best type of organization, we can approach the Diocesan Council on the matter of amendments to the Canons. Your Bishop does not desire to wield the big stick and to force upon you any special organization, but would like to present to you this plan, then hear any suggestions you may have to make and have your vote on the final outcome of our deliberations.

Of two things I am quite positive. (1) We should take out our present organization of men who really belong in the Bishop and Council of the Diocese, and we should also take out of the organization the Church School and the Young People's Society, which according to the ruling of the National Church belongs to the Department of Religious Education. (2) We should no longer have a double headed affair, but one organization.

My plan is this. Already we have separate annual meetings of the Woman's Auxiliary, the G. F. S., the Daughters of the King. The nature of the work of the C. P. C. does not require a meeting. I would like also to have the Parish Guilds organized in a Diocesan way so as to create in them a Diocesan and also a National consciousness. This has been to some extent accomplished in Parishes where the Woman's Auxiliary and the Guild have combined, but there remains a large field in this respect which will require a survey of the Diocese. This would make five groups which would carry on their own meetings as they have done in the past and do their special line of work. They might have their respective meetings the day before the Annual Diocesan Meeting of Women. I would suggest that for the present we avoid any of the names which seem to disturb, and simply call it an Annual Meeting of Women of the Diocese at which the Bishop will himself preside and receive reports from the five groups, the W. A. S., the G. F. S., the Daughters of the King, the C. P. C., and Parochial Guilds. This Annual Meeting would be for mutual information and inspiration.

The crux of our problem is, as usual, the financial one. I would suggest that each organization make its own budget and see how much it can count on from its own constituent Branches, and would handle its own Treasurer. The present pledges handle its funds through its own Treasurer. The pledges made to the C. S. L. I hope will be continued until such time as the survey can be made to find out from what source in the various Parishes and Missions these pledges are paid. I would then like the Parish Guilds to assume some Diocesan responsibility and to make whatever pledges are necessary direct to the various Departments of the Bishop and Council. Then I would like to form a Diocesan Council of Women of which the Bishop shall be the head and the presiding officer. This Council will consist of the officers of all the above mentioned five groups. This Council of Women would have power to act in all executive matters, and in matters of administration pertaining to the Women's Work of the Diocese.

This seems to be the only solution of our present problem so long as the National Church and the Province is undecided and is trying out various types of organizations for women. We, then, in this Diocese will conserve by this means all that we have gained (and we have gained much) from the C. S. L. organization, and yet we will simplify and unify our efforts and be ready whenever the time may come to turn ourselves into that type of organization that the Church may eventually decide upon, whether it be House of Church Women or some National Women's Organization, or whether it be to like ourselves definitely to the Field Department.

The C. S. L. is, I understand, a legal Corporation, under the laws of the State of Indiana. It will therefore require a little time to readjust matters, and we will still have to work, as far as our legal status is concerned, under that title, of which the Bishop is now the legal head, and the pledges paid in on the old basis can be handled by the same Treasurer and disbursed to the present constituent organizations until the survey is made, and whatever legal steps are necessary can be taken.

As the General Church has said to the Dioceses that they may continue the C. S. L. if they have one and it is working satisfactorily, so also, let us today send a similar message to the Parishes and Missions of the Diocese wherever in Northern Indiana in Parish or Mission the C. S. L. is organized and working satisfactorily, you may keep it and continue under that plan locally.

Where this is not the case, the Parochial Organizations should follow the plan of Diocesan Organization here suggested, which is modeled upon the Provincial and National Organizations along which lines I suggest the following, that the Parishes organize a Parish Council made up of the heads of all their organizations, not as an added piece of machinery, but as the best means of simplification and co-ordination of Parish activities.

I am going to ask Mrs. Fickenscher, who has been such an efficient head of the C. S. L. if she will undertake this great work of organizing the Parish Guilds in a Diocesan way, of making the survey and of editing a page in The Guardian which shall be entitled "Women's Work."

Miss Goldthwaite made a motion of co-operation with the Bishop's plan until such time as a better type of organization should be evolved, saying that she felt it was a simple solution of an intricate problem; which motion was unanimously carried.

Noon-day prayers by Father H. R. White, at which time the Book of Remembrance was presented.

The following committee on resolutions was appointed:

Mrs. Irvin Todd.

Miss Pomeroy.

Mrs. Edward Day.

Motion made, carried that the offering be given to Mrs. Biller of Racine for her work among the foreign students of the School.

After a short conference with the treasurer and secretary of the C. S. L., Mrs. Fickenscher suggested to the Woman's Auxiliary (then in session) that—the balance in the savings account of the C. S. L. together with the \$125.00 given to the diocese from the province be given to Miss Alice Goldthwaite for her Memorial fund to be used for educational purposes in the diocese.

The suggestion was received by the Woman's Auxiliary and a motion was made and seconded to accept this money, but after a general discussion by the members of the Woman's Auxiliary and Bishop Gray, no definite conclusion was reached and the meeting adjourned without action upon the matter.

Mrs. Christman,
Secretary C. S. L.

SOCIAL SERVICE REPORT

Archdeacon White consulted me on the advisability of taking Dr. Spofford through the diocese to talk on the work. This was accomplished and many people listened to his message.

Attended Dr. Spofford's meeting in St. Paul's Church, Hammond, Ind.

Attended the Board Meeting at Wawasee and some of the conference classes.

Acted as Secretary at the District meeting held in Gary, in October, 1925.

I very much regret my inability to get in touch with the work done in the different Parish branches on account of illness in my home.

Respectfully submitted,

Mrs. Wm. Meade,

Social Service Secretary.

Minutes of Annual Meeting of Woman's Auxiliary of Diocese of Northern Indiana held in Marion, January 28, 1926.

The meeting was called to order by the President, Miss Alice Goldthwaite, in the Woman's Club room of the Spencer Hotel.

After all repeated the Lord's Prayer, Bishop Gray said the Auxiliary prayers.

The President read her report which was followed by annual reports of Secretary, Treasurer, U. T. O. Treasurer, Educational Secretary, Box Supply Secretary and Social Service Secretary, the last three not being present, their reports were read by Mrs. Cordick.

Miss Green gave a report of the Memorial Extension fund, and Mrs. D. J. Campbell read the report of the C. P. C.

These reports were all approved and placed on file, and will appear in the year book.

Fort Wayne and South Bend reported in full the work they had done during the past year.

As several of the parishes and missions had not paid any thing on the W. A. Special, the President asked for explanations, and it was brought out that some had not received their assessment until the last year and some had no knowledge of it. However \$425.45 was paid on the pledge of \$500 and as the fund is complete now, nothing was done about the delinquents, though the President did say that she thought every effort should be made to raise the entire amounts of our pledges.

Miss Goldthwaite spoke at some length regarding the importance of getting more people interested in the Church papers and especially the Spirit of Missions and suggested that a Secretary be appointed in each parish to awaken an interest and to get subscribers for the Spirit of Missions.

Miss Goldthwaite also reminded the auxiliary of the motion that was carried at the last Annual meeting of a gold and silver sale throughout the diocese, and hoped that this year this might be accomplished. One-half of the receipts from such a sale to be sent to St. Luke's Hospital, Tokio, and the other kept in the Memorial Extension fund of our Diocese.

As no member of the nominating committee was present, the report of this committee was read by Bishop Gray, who stated that the committee had met with several complications in making their nominations, however he hoped that it was now all straightened out. The list of names presented by the nominating committee, follows:

Chairman of Woman's Council, Ex-officio, Bishop Gray.

Chairman of Woman's Council, Mrs. L. S. Fickenscher, South Bend.

President W. A., Mrs. G. F. Hitchcock, Plymouth.

Vice-President, Mrs. Wm. Meade, East Chicago.

Secretary, Miss Mullinex, South Bend.

Treasurer, Mrs. Adams, Fort Wayne.

U. T. O. Secretary, Mrs. Cordick, Plymouth.

Educational Secretary, Mrs. R. M. Royce, Hammond.

Box Supply Secretary, Mrs. Russell Knepp, Warsaw.

The Bishop then appointed Mrs. D. C. Campbell as C. P. C. Correspondent.

The report of the nominating committee was accepted, a motion being made and seconded that the report be approved, which prevailed.

The next on the program was the Report of the General Convention by which she was asked to present the U. T. O. as Mrs. Grant was not going. Mrs. Gray said she did not intend to read any reports as there had been so much written in the secular and religious press, also, every one could

get a full report from 281 Fourth Ave, New York, by sending ten cents. The November and January numbers of the Spirit of Missions are also especially interested, and every one should read the Spirit of Missions. Mrs. Gray said in part. Imagine a large hall with over 410 delegates, each organization had five representatives. Northern Indiana had only three, this time, Mrs. Gray, Mrs. Ellwood and Miss Thompson. There were at all times many women waiting outside for a chance to get a seat if only for a short time in order to hear the interesting discussions. There were only three Diocesan branches not represented. There were delegations from the colored W. A. and colored women were taking part very intelligently in the discussions.

Mrs. McBride was the presiding officer.

One representative from each province sat on the platform, Mrs. Butler of Chicago and also delegate at large had a seat on the platform.

There were 600 who took part in the study classes. Mrs. Gray took Miss Cooper's class on the "Pupil". As a delegate from the Church School, Mrs. Gray occasionally went to House of Bishops and to House of Deputies.

The Young People's movement was especially stressed. W. A. must take more interest in the young people. W. A. is back of the Y. P. movement.

The U. T. O. service was the pre-eminent service,—the large church was packed to the doors and 500 down stairs, there was the greatest enthusiasm as delegates were present from all over the world. From 7:30 A. M. to 10:00 the service lasted and it took eight men to carry the offering which amounted to \$912,000. Our share was \$3,143.85 which was less than we had three years ago, so we must redouble our efforts. The Bishop Tuttle Memorial fund was \$101,304. The House being built in Raleigh for Colored leaders at a cost of \$38,000. Women who go to this house must be intelligent colored women, having at least two years of college work and be leaders among their own people.

In accepting workers now in the mission field, the board says they must be especially trained along the lines of work which they expect to do. We must send out best and then take good care of them, paying them according to the work to be done and according to their abilities.

We are not to have any specials for the next three years but a 100,000 must be raised and five different places are to be financed by it.

The keynote of the meetings seemed to be that as women we lack spiritual insight.

Women must get behind the Program of the Church.

Miss Goldthwaite spoke of her many years of work and responsibility and that she was now going out of office and would devote more time to the Memorial fund as she was anxious to get the \$2500 raised so that the interest each year might be used to do more educational work in our own diocese.

Mrs. Campbell moved that a rising vote of thanks be given Miss Goldthwaite which was done.

The Bishop asked for a resolution to make Miss Goldthwaite to have charge of the Memorial Extension Fund and a member on the Woman's Auxiliary Board. A motion to this effect was made, seconded and carried.

The resolutions committee reported as follows:

Whereas in the entering into life eternal of Mrs. F. O. Anderson we mourn the loss of a faithful Diocesan officer and Church worker, and

Whereas our fellow worker, Mrs. W. C. Meade, is bereaved by the recent death of her husband, a devoted Churchman and vestryman of his parish.

Therefore, be it

Resolved, that we extend to the bereaved families our deepest sympathy, and that letters of sympathy be written to Mr. Anderson and Mrs. Meade.

Also resolved, that we express our appreciation for the helpful presence of our bishop and the words of inspiration he has brought us.

Also resolved, that our grateful thanks be expressed to the Church Service of Gethsemane Parish for the splendid hospitality offered the organizations of the diocese during their meetings.

MRS. IRVING TODD,
MRS. ED DAY,
HAZEL POMEROY,

Committee.

The roll was now called but as it was late a number of delegates had left, so there were only 13 who were entitled to vote.

A discussion of the carry on fund which may revert back to the diocese, or rather \$125, of it may, was carried on but as nothing definite is known as to this, no action was taken.

As the time had been taken up with many discussions, the President stated the meeting was adjourned to give way to a meeting of the Daughters of the King.

MRS. CORDICK, Secretary.

In the transition from the present organization of the Diocesan C. S. L. to the proposed type of Women's Organization as published in the last issue of "The Guardian", the women voted the following resolution:

RESOLVED, That we request all Parishes and Missions to make a pledge of at least the same amount as formerly, that where any of this is paid by Young People or Church School this amount be deducted and sent to the Diocesan Department of Religious Education and the balance sent to Mrs. Adams."

Will you therefore please see that the same pledge comes from your Parish or Mission, deducting whatever share of it may be paid by the Church School or the Young People's Organization if you have one.

The money for the pledge should be paid to Mrs. J. R. Adams, 2538 Fairfield View Place, Fort Wayne, Ind. If your Church School and your Young People's Society has not been giving anything in the past on this pledge, can you not at least pledge two or three dollars a year from the Church School and make some pledge from the Young People's Society if you have one.

All pledges from Church School or Young People should be sent to Mr. Harry J. McSheehy, 324 Broadway, Logansport, Ind., and marked "For the Work of the Diocesan Department of Religious Education." Also please be sure to put on it the name of the Parish or Mission from which it comes.

Will you also please send me the following information: From what sources have your pledges to the Diocesan C. S. L. come in the past? Has it come entirely from the Auxiliary or from the Auxiliary and Guild, or have all parochial organizations had a share and how much has each organization given to make up the sum total?

Thanking you very much for giving this your early and prompt attention, I remain

Faithfully yours,

CAMPBELL GRAY

MINUTES OF COUNCIL MEETING — MAY 17, 1926

A meeting of the Bishop and Diocesan Officers of Women's Organizations, Diocese of Northern Indiana, meeting as the C. S. L. Board, and called by the Bishop, was held at the Bishop's House, Mishawaka, Monday, May 17th, preceded by the Holy Eucharist at the Pro-Cathedral at 9:30 A. M., the Dean Celebrant.

At 10:30 A. M. the meeting was opened by prayers led by the Bishop, ex-officio Chairman. There were present the following members: Rt. Rev. and Mrs. Campbell Gray, Mrs. Geo. H. Hitchcock, Mrs. Wm. Meade, Mrs. W. J. Cordick, Miss Alice Golthwaite, Mrs. E. J. Christman, Mrs. D. J. Campbell, Mrs. L. S. Fickenscher, Mrs. G. Truesdell Vail, and Miss Nellie Mullinex. There were also present four who were not officers.

The minutes of the previous meeting were read, corrected, and approved.

The question of the need of the various organizations meeting separately was raised by the Bishop. It was found that the only organization needing a separate meeting at this time was the Woman's Auxiliary, for which purpose the C. S. L. Board adjourned.

After the meeting of the Woman's Auxiliary, the Diocesan Council of Women was again called to order by the Bishop, who at once presented an outline of topics to be considered.

The legal aspect of the Incorporated C. S. L. was presented by the Bishop, who explained that a copy of the incorporation papers had been

sent to the Chancellor who stated that there were two alternatives, 1. Change of name only, and 2. Legally dissolve the incorporated C. S. L. with permission to return funds where they belong, leaving the organization of women free to work with the Diocese of Northern Indiana. Discussion re disposal of funds and wisdom of dissolving the C. S. L. followed, which resulted in a motion by Mrs. Fickenscher that the chart be dissolved. The motion was seconded by Miss Goldthwaite, and carried. There followed discussion re getting all women to help in the Woman's Auxiliary, it seeming that some were more interested in Guilds and C. S. L. than in the Auxiliary. The Bishop presented the idea of a Rector's Council as being a desirable way of organizing. The suggestion was also made of combining the Guild and Auxiliary, which method is already successfully in operation in some Parishes.

A motion for Noon Recess was made, and the recess was called at 1:05 P. M.

The Council of Women was again called to order at 2:15 P. M., prayers for Missions being read by the Bishop.

The Treasurer's Report was called for, and read. There being no objection, the report stands approved. An itemization of Parish Pledges was read by the Secretary who was instructed to send this itemization to the Treasurer, to see that pledge notices go out, and to get in touch with Parishes who have not yet pledged.

The expenses of the delegates were given to the Secretary, who was instructed to forward them to the Treasurer for payment.

It was moved and seconded that letters sent out from the Bishop's Office for various organizations be paid for by these organizations, at four cents per letter where office letterhead is used, and at 2c per letter where the organization has its own stationery. Carried.

It was moved and seconded that bill presented by the Secretary for letters and telegrams be paid. Carried. Request for presentation of other bills was made, and two were presented, one by Mrs. Fickenscher for \$4.70, and one by the Secretary for \$1.25. It was moved and seconded that both bills be paid. Carried.

The W. A. S. report was made, containing request that this body elect delegates to the Provincial House of Church Women. The following nominations for delegates were made:

Mrs. G. F. Hitchcock, representing the W. A. S.

Mrs. Campbell Gray, representing the G. F. S.

Mrs. L. S. Fickenscher, representing Women's Guilds.

Mrs. E. J. Christman, representing Daughters of the King.

Mrs. Cleon E. Bigler, representing Religious Education.

Moved and seconded that the nominations be closed. Carried.

Moved, seconded and carried that the ballot be cast by Secretary.

The following nominations for alternates were made:

Mrs. Wm. Meade, alternate to Mrs. Hitchcock.

Mrs. I. N. Miller, alternate to Mrs. Gray.

Mrs. J. K. Brennan, alternate to Mrs. Fickenscher.

Mrs. W. J. Lockton, alternate to Mrs. Christman.

Miss Louise Tompsett, alternate to Mrs. Bigler.

Moved and seconded that the nominations for alternates be closed.

Carried. Moved, seconded and carried that the ballot be cast by Secretary.

The G. F. S. report was called for, and Mrs. Gray read the minutes of the last G. F. S. meeting, which contained a request to the C. S. L. for \$50.00. Mrs. Vail moved, seconded by Mrs. Hitchcock, that the report including the request for \$50.00 be adopted. Carried.

There followed a discussion regarding the survey now being carried on by Mrs. Fickenscher, who reported both on the Survey and on the Woman's Page in "The Guardian" of which she is Editor.

The matter of the District Meetings and speaker for same was brought up by the Bishop. The possibility of getting various speakers was

discussed, Bishop Murray, Miss Lindley, or some missionary speaker being desired. Miss Goldthwaite moved that Wednesday, Thursday, and Friday, October 27th, 28th and 29th be selected as the dates of the District Meetings. Motion was seconded and carried.

Mrs. Gray made the following motion, which was seconded and carried:

RESOLVED: That Mrs. Hitchcock be the speaker authorized to make report of the Provincial Meeting.

Mrs. Fickenscher moved that Mrs. Gray present the G. F. S. at each of the District Meetings. Carried.

Mrs. Meade moved as follows:

RESOLVED: That Bishop Gray, Mrs. Fickenscher and Mrs. Hitchcock constitute a Program Committee for the District Meetings, the Bishop being Chairman. The motion was seconded and carried.

Motion for adjournment was made by Mrs. Vail, and carried. The meeting adjourned at 4:30 P. M.

Respectfully submitted,

(Signed) NELLIE MULLINEX,
Secretary.

The possibility of the Council of Women sending a delegate to the "State Conference on Social Work" to be held by the Board of State Charities at Lafayette, November 20th to 23rd, 1926 was discussed, but no action resulted.

Noonday prayers were said by the Bishop at 12:00 Noon, and the meeting adjourned for luncheon.

At 1:20 P. M. the meeting was again called to order by the Bishop who immediately took up the matter of dissolution of the old C. S. L. The following letter from the Chancellor was read, followed by a reading of the following petition.

South Bend, Indiana.

October 12, 1926.

The Rt. Rev. Campbell Gray, D. D.
710 Lincoln Way East,
Mishawaka, Indiana.

My dear Bishop:

Enclosed you will find a petition to be signed by a majority of the Church Service League.

I wish you would find out the amount of money that remains in the

Treasury and insert this amount in the space near the bottom of the petition, then have as many members as you can sign on the lines on the second page.

If you will then return this petition to me I will file it in Court and get an Order of Dissolution and a direction from the Court. as to where to pay the funds now in the Treasury. In fact, the distribution of the present funds will be according to your direction, but will be contained in the Order approving the dissolution.

Yours respectfully,

Indiana.)	

Comes now the undersigned petitioners of the Church Service League of the Diocese of Northern Indiana and in pursuance to Section 4890 of Burn's Annotated Indiana Statutes, 1926. Volume No. 2, entitled Dissolution of Voluntary Associations, hereby files their petition for a dissolution of said Association and in compliance therewith sets forth the following facts.

That the Church Service League of the Diocese of Northern Indiana is a voluntary Association organized under the laws of the State of Indiana on May 10, 1921. That the said Association is not organized for pecuniary profit but the particular object of the Society, as stated in its Articles, has been to federate all Diocesan organizations in which women work and to co-ordinate the efforts of all these organizations under one society. That the work has to do with Church work wholly.

The petitioners further show to the Court that the principal office of said Association is at the residence of the Bishop of the Diocese of Northern Indiana at 710 Lincoln Way East, Mishawaka, Indiana.

That at the time of the filing of this petition there are no creditors, debtors, or any outstanding obligations of any kind against said society. That there remains in the Treasury of said Association the sum of \$..... That the association has never had any stockholders or issued any stock of any kind and the organization has been confined strictly to members interested in Church Work as above set forth.

WHEREFORE, the undersigned petitioners being all members of said Association in good standing at the time of the filing of this petition, hereby request and ask the Court that the Association be dissolved under such terms and conditions as the Court may set forth upon hearing of this petition.

MEMBERS OF THE CHURCH SERVICE LEAGUE OF THE DIOCESE OF NORTHERN INDIANA.

(Signatures)

Fourteen signatures were obtained on the foregoing document.

The possibility of doing away with a Treasurer for the Council of Women was discussed, this matter presenting three problems, 1. Dues to the House of Church Women, 2. Expenses of Delegates to the House of Church Women, and 3. Expenses of Chairman of District Meetings. Much discussion followed which resulted in the following motion by Mrs. Fickenscher; seconded by Mrs. Cordick, and carried.

RESOLVED, That each organization, the Woman's Auxiliary, the Girls'

Friendly Society, the Church Periodical Club, the Daughters of the King, and the Woman's Guild proceed to collect their own money from their own organization and that at our next meeting in May we definitely arrange as to how other expenses are to be taken care of outside of the organizations themselves.

It was found that this would necessitate a definite making up of budgets for and by each organization.

The matter of a separation of funds was then taken up. The following motion was made from the Chair, seconded by Mrs. Fickenscher, and carried.

RESOLVED, That after paying the expenses of today's meeting, the remaining balance and also the amounts due on the pledges be paid to the Woman's Auxiliary, and that it shall be so reported to the Court.

The Bishop then spoke of the prospect which the diocese has of having Miss Beardsley, one of the three itinerant field workers from National Headquarters, for work in the diocese some time in the winter after Christmas or early in the Spring.

The method of sending the Soo Show Special to Mrs. Standring was then discussed, and it was decided that it is more satisfactory to send direct.

The meeting adjourned at 3:00 P. M.

Respectfully submitted,

NELLIE MULLINEX,
Secretary.

MINUTES OF MEETING OF THE COUNCIL OF WOMEN

(May 2, 1927)

The regular semi-annual meeting of the Bishop and Diocesan Officers of Women's Organizations known as the Council of Women, Diocese of Northern Indiana, was held at St. Paul's Pro-Cathedral, Mishawaka, on Monday, May 2, 1927. The meeting had been preceded by a Celebration of the Holy Eucharist at 7:00 A. M., the Bishop Celebrant, and a second Celebration at 9:00 A. M., Fr. Lockton being Celebrant. It was also preceded by the annual meeting of the Woman's Auxiliary of the Diocese and by the first annual meeting of the diocesan organization of Women's Guilds.

The meeting was called to order at 3:15 P. M. by the Bishop, ex-officio President. Roll call found the following members present:

Bishop Gray
Mrs. Campbell Gray
Mrs. L. S. Fickenscher
Mrs. W. O. McBride
Mrs. E. J. Christman
Miss Frances Haberly
Miss Alice Goldthwaite
Mrs. I. N. Miller
Mrs. G. Truesdell Vail
Mrs. D. J. Campbell
Mrs. Robert Happ
Mrs. Geo. F. Hitchcock
Mrs. Wm. Meade
Mrs. J. R. Adams
Mrs. Russell Knepp
Miss M. Getrude Greene
Mrs. W. J. Cordick
Miss Nellie Mullinex

The minutes of the previous meeting were read. There being no objection, they stand approved.

The Bishop took up the matter of delegates to the House of Church Women which will meet in the fall. Last year it was decided that as the Diocesan Council of Women was acting as the Church Service League, the Council of Women would elect these delegates. After some discussion it was decided that the Council of Women would again elect such delegates this year, and the matter of paying expenses was taken up. The Auxiliary and the Guild would, of course, each be able to bear the expenses of the delegate who represented these organizations hespectively. Mrs. Christman and Miss Haberly reported that the Daughters of the King would bear the expenses of its delegate. Mrs. I. N. Miller reported that she would be responsible for seeing that the expenses of the G. F. S. delegate were paid, and there was no objection to the suggestion that the Auxiliary pay the expenses of the Church Periodical Club delegate.

Nominations for delegates to the meeting of the House of Church Women were made as follows:

Representing Daughters of the King

Mrs. E. J. Christman
Miss Frances Haberly

Representing Girls' Friendly Society

Mrs. Campbell Gray
Mrs. Cleon E. Bigler

Representing Women's Guilds

Mrs. L. S. Fickenscher
Mrs. W. O. McBride
Mrs. Randall
Mrs. G. Truesdell Vail
Miss Alice Goldthwaite

Representing Church Periodical Club

Mrs. D. J. Campbell
Miss Hazel Pomeroy

Representing Woman's Auxiliary

Mrs. Geo. F. Hitchcock
Miss M. Gertrude Greene
Mrs. Robert Happ

Miss Goldthwaite moved that candidates be elected by ballot, the one receiving the highest votes to be the delegate, and the next lower the alternat. Carried unanimously.

During the counting of the ballots by the tellers, Mrs. J. K. Brennan and Mrs. J. R. Adams, there was discussions of dates for the District Meetings in the coming fall. The following tentative dates were determined upon:

Tuesday, October 25, Marion
Wednesday, October 26, South Bend
Thursday, October 27, LaPorte

It seemed to be the general desire that the speaker's topic at these meetings be Social Service. Because of the difficulty of obtaining speakers, this matter was left to Bishop Gray to work out as seemed best.

Report of the elections was given as follows:

Organization	Delegate	Alternate
Girls' Friendly Society	Mrs. Campbell Gray	Mrs. Cleon Bigler
Daughters of the King	Miss Frances Haberly	Mrs. E. J. Christman
Women's Guilds	Mrs. L. S. Fickenscher	Miss Alice Goldthwaite
Church Periodical Club	Mrs. D. J. Campbell	Miss Hazel Pomeroy
Woman's Auxiliary	Mrs. Geo. F. Hitchcock	Mrs. Robt. Happ

Report of the Daughters of the King was then given by Miss Haberly to which Mrs. Christman contributed some additional information. Mrs. Campbell moved, seconded by Mrs. Meade that this report be accepted. Carried.

Mrs. D. J. Campbell reported on the Church Periodical Club, and then moved adoption of the report. The motion was seconded and carried.

Mrs. Christman moved that the G. F. S. report, a copy of which is appended, be accepted, which motion was seconded and carried.

Mrs. Miller mentioned the fact that she had heard from no G. F. S. branch except Kokomo regarding her offer to the girls of cottages at Barbee Lake this summer.

Mrs. Fickenscher moved acceptance of the Guild Report as given during the forenoon. Carried.

REPORT OF THE WOMAN'S AUXILIARY
MINUTES OF ANNUAL MEETING OF WOMAN' AUXILIARY
(May 2, 1927)

The Annual Meeting of the Woman's Auxiliary of the Diocese of Northern Indiana was held in St. Paul's Pro-Cathedral, Mishawaka, Monday, May 2nd, 1927. There was a Celebration of the Holy Eucharist at 7:00 A. M., the Bishop Celebrant, and a second Celebration at 9:00 A. M., Fr. Lockton being Celebrant.

The meeting was called to order by its president, Mrs. G. F. Hitchcock. Prayers were led by the Bishop.

Bishop Gray spoke to the Auxiliary of the presence in the diocese of Miss Edna B. Beardsley, U. T. O. Field Worker from National Headquarters, and made several appointments for her.

Roll call found representatives present as follows:

Bristol	2
Elkhart	6
East Chicago	2
Fort Wayne	12
Hammond	2
Goshen	3
Kokomo	1
LaPorte	6
Mishawaka	8
Michigan City	2
Marion	4
Plymouth	7
South Bend (St. James)	10
Warsaw	1
Total	66

Mrs. Hitchcock then addressed the Auxiliary regarding the past year's work. She spoke of the need of revision of the Constitution, also of her desire that the report of the annual meeting be published with other diocesan annual reports.

The following resolutions committee was appointed. Mrs. W. J. Lockton, Chairman; Mrs. Wm. Meade; and Mrs. W. K. Shick.

Report of the Secretary was given as appended, which report was accepted.

Mrs. W. J. Cordick reported on the U T. O., her annual report being appended. Mrs. Gray moved that this report be accepted and placed on file. Carried.

The report of the Box Secretary was given by Mrs. Knepp, her annual report being appended. Mrs. Lockton moved that this report be accepted and placed on file. The motion was seconded and carried.

Mrs. Wm. Meade reported on the Corporate Gift, her annual report being appended. Mrs. Meade mentioned that her last designations were for work done by Bishop Carson of Haiti and by Bishop Rowe of Alaska. She reported that 20 of the parishes and missions had pledged. Mrs. Lockton moved, seconded by Mrs. Gray that the report be accepted and placed on file. Carried.

The treasurer's report was given by Mrs. Adams, her annual report being appended. It was moved, seconded and carried that this report be accepted.

The Bishop then made the following appointments:

Mrs. Robert G. Happ of South Bend to be Educational Secretary, that vacancy having occurred through the resignation of Mrs. Royce.

Mrs. Saida B. Wright of Mishawaka, to be Social Service Secretary.

It was moved, seconded and carried that these names be approved.

Mrs. Lockton moved that the Chairman appoint a committee to revise the constitution. The motion was seconded and carried.

Mrs. Hitchcock spoke of the offering which would be taken at this meeting, and requested suggestion from the Bishop as to its use. Bishop Gray spoke of the "Pay as you go" plan of National Council, and asked that the offering be used to apply on the old deficit of the General Church incurred prior to 1925. Mrs. Campbell moved, seconded by Mrs. Meade that this be adopted as a motion. Carried.

Report of the Memorial Fund was given by its treasurer, Miss M. Gertrude Greene, her annual report being appended. Mrs. Christman moved, seconded by Mrs. Adams that this report be accepted and placed on file. Carried.

Miss Goldthwaite then addressed the Auxiliary on the Memorial Fund. She spoke very interestingly of its purpose, mentioning the fact that the first Constitution of the Auxiliary of this Diocese was drawn up in 1898, and that 25 years later, in 1923, it was decided that the Auxiliary would like to have a sum of \$2,500.00 to be placed out at interest, the interest to be used for educational purposes. The Book of Remembrance which Miss Goldthwaite exhibited contains names of those departed in honor of whom gifts toward the Memorial Fund had been given, also names of the donors. It was suggested that the Book of Remembrance go on a tour through the diocese, to which Miss Goldthwaite assented. Elkhart took it first, and will see that it reaches some other place in this district.

Miss Beardsley then addressed the Auxiliary, speaking of her work with the Auxiliary, the Church Schools, Young People's Societies, Daughters of the King, and the G. F. S. She mentioned the growing sense of unity in the Church, and that we have come to the realization that we must have every woman in the Church interested in the whole work of the Church, not merely in specialized phases of Church Work. She outlined the work which she wishes to take up in her periodical work for the coming two months.

At noon prayers and intercessions from the Book of Remembrance were said by Archdeacon White.

It was moved, seconded and carried that the resolutions to be presented by the Resolution Committee be accepted. Their resolutions, later presented were as follows:

RESOLVED, That we express our appreciation to the Rector and members of St. Paul's Church, Mishawaka, for the hospitality extended to us at this time.

Mrs. W. J. Lockton
Mrs. J. E. Meade
Mrs. J. B. Shick

Motion for adjournment was made, seconded, and adjournment took place at 12:00 Noon.

Respectfully submitted,

NELLIE MULLINEX

Secretary.

Mrs. Bigler spoke for Mrs. Miller, head of the Holiday House, who could not be there; that she would gladly donate her cottages at Barbee Lake again this summer. Twenty girls spent their vacation there last summer. This was greatly appreciated and the Secretary was instructed to send a note of thanks to Mrs. Miller.

In the absence of Miss Alice Goldthwaite, head of Missions, no report was given. A discussion arose in regard to the missionary work in the Diocese and it was voted to help the Church School with their missionary box work; the Branches pledging the following:

The meeting then adjourned for a delicious dinner which was served at 6:30. The girls sang G. F. S. Songs and yells that put lots of "pep" in the meeting.

After the dinner Bishop Gray gave a word of greeting. Mrs. Gray then gave a Summary of her work during the year, showing a new Branch being organized in Mishawaka, and Hammond and Michigan City soon to organize.

The Secretary's Report was given, after which Miss Rose Lukacs gave a splendid report of Trinity Branch, South Bend; followed by reports from Kokomo by Mrs. Bigler; Fort Wayne by Miss Martha Grosvenor; and Marion by Miss Mabel Cole. A meeting of the Diocesan Council of the Girls' Friendly Society was held in Kokomo, Sunday, May 15th, 1927; with the following officers and Delegates present:

Mrs. Cleon Bigler, Miss Daisy Ervington, Mrs. I. N. Miller, Mrs. W. H. Fritz, Miss Margret Overshiner, Miss Mabel Cole; two Delegates from Fort Wayne and one from Marion; with a total of nine present.

The Minutes of the Annual Meeting in Fort Wayne were read and approved. The Treasurer's Report was given by Miss Ervington, showing a balance of \$50.27.

Mrs. Bigler read a letter from the Bishop stating that on account of ill health, Mrs. Gray would have to give up the work of The Girls' Friendly. Mrs. Gray's resignation was accepted with regret. The Secretary was instructed to send a note expressing our regret to Mrs. Gray for

her ill health and for having to give up the G. F. S. work. The Treasurer was appointed to send \$3.00 to Miss Mullinax for flowers.

The Washington National Center was discussed, which shows the Diocese still owes \$52.60. Marion was the only Branch in the Diocese which has paid its quota; but Kokomo and Fort Wayne promised to do what they could towards making theirs up. Mrs. W. H. Fritz was appointed to look after the affairs of the Washington Center for the Diocese.

If anyone has any suggestion for the programme for the Annual Meeting to be held in Kokomo in October, they are requested to send them to Mrs. Bigler.

Miss Winifred Dunkle of Chicago will be at the Summer School at Lake Wawasee to have a class on 'Leadership.' Plans are being made to give a Pageant on Friday, June 24th, which is to be G. F. S. Day. Every Branch is urged to send members for that day if it is impossible to come for the week.

The Secretary was asked to write to National Office to get prices for a die to be used for Girls' Friendly stationary.

The mission work of the Diocese was discussed by Miss Margaret Overshiner, Head for Missions. Each Branch is to adopt the plan of Kokomo; of using individual boxes for missions, this offering being collected annually on Whitsunday. This year we shall have a special service on Whitsunday and the offering will go towards a missionary fund. The Council voted to send the money for the Mission Department this year to the Voorhees School in Denmark, S. C. A motion was made by Mrs. Fritz that a sum of \$5.00 be allowed in the budget.

As Miss Stearns, head for candidates was not present, no report was given.

Mrs. I. N. Miller read the Diocesan Report for the Holiday House for 1926. Mrs. Miller very kindly donated her cottages at Barbee Lake again this year, with June 11th to the 18th being the date set. All registrations must be in by June first. Miss Lower made a motion that the following rates be adopted:

\$5.00 board	\$1.00 Registration fee for week
\$2.00 board	\$.50 Registration fee for week end.
\$1.00 board	\$.25 Registration fee for one day.

A motion was made by Margaret Overshiner "that all Registration Fees and gifts not otherwise designated should go towards the Holiday House Fund." Carried.

The arrangement for a cook was left to the Holiday House Committee. Mrs. Bigler appointed Miss Lucile Smith of Marion on the Committee in place of Mrs. Mary Jones.

Mrs. W. H. Fritz head for Social Service, told of the work being done in Fort Wayne. Every Branch is urged to do Social Service work and to make suggestions to the other Branches.

Mrs. Bigler then read a letter received from the English Society in regard to the relation between the American and the English Societies. The items to be included in the new Agreement were stated.

A few changes in the Constitution were discussed and adopted. Mrs. Fritz making a motion "that the corrections be set aside until Fall for further ratification." Seconded by Margaret Overshiner.

Mrs. Fritz was appointed to take care of G. F. S. news in the Diocese, for the Record, to send to Miss Dunkle.

A new budget was read by Miss Ervington and approved. A discussion followed of ways to raise the money. Mrs. Fritz made a motion 'for each branch President to try to interest Diocesan Honorary Associates and to pay annual dues of \$4.00.' It was also decided that in order to raise the budget, each Branch would be apportioned \$50.00. This sum may be raised by the Branch in any way it sees fit. Mrs. Bigler urged that we loyally support the budget and get it under way. Also that a greater effort be made to establish new Branches; to this end \$50.00 was put into the budget for extension work.

Mrs. Bigler is to write Mrs. Brown and ask her to come to each Branch in the Diocese to give a lecture on 'Washington,' the proceeds to go to each Branch to help raise its quota for the Diocesan Budget.

The Secretary was instructed to write Miss Edna Beardsley to promote Girls' Friendly work during her trip through the Diocese and to report to Mrs. Bigler.

The subject of sending a Delegate to National Council was discussed. It was decided to hold this over until fall in the hope that more money would be available.

To comply with a request from National Office, Miss Margaret Overshiner was asked to write a History of the G. F. S. in Northern Indiana and send a copy to New York and put one in the Secretary's book.

Mrs. Bigler requested the Secretary to write to Mrs. Adams informing her of the change of titles of Department Heads and to please note them in making her nominations for Fall.

The meeting then adjourned.

Respectfully submitted,

MABEL COLE,

Secretary.

REPORT OF CHURCH PERIODICAL CLUB

April 30, 1927

Since the last report, we have added two parish secretaries, one at Michigan City and one at Hammond, and last fall St. James', South Bend, sent two subscriptions, and in January of this year gave \$10.00 for the work, though no secretary has been appointed.

"The Diocese of Northern Indiana" is serving the C. P. C. well, as I have heard from two sources where we have no branch with offers for special wants which I had published in the paper, one from Hobart and one from Howe. While we have no secretary at Howe, we frequently hear from Mrs. Irving Todd, and I know she does much C. P. C. work personally. I have published items of interest from time to time in the "The Diocese of Northern Indiana", as well as special wants referred to above.

Branches	Number of Donors
South Bend	5 Subscriptions
Marion	2 and 2 subscriptions.
Michigan City	1 subscription
Plymouth	8 Donors
Hammond	16, and 75 Easter cards to Bear Mt. Mission
Fort Wayne	11, and local aid to Irene Byron Home, Luthern Hospital, Boy Scouts, and Salvation Army
Howe	Boxes of books and magazines
Kokomo	13 and 1 subscription
Mishawaka	8, and 2 subscriptions, and two big bundles of ? magazines to Sparta, N. C.

Some of these show a falling off from last year, due mainly to postal rates, and a very few an increase, notably Hammond, which has been in existence only a little over a year, and has progressed to the best showing in the diocese.

I wish to call the attention of all parishes, whether with organized C. P. C. branches or not, to a plan for a chain of reading open to all. Anyone interested may get information from me at any time.

Financial Statement

Jan. 1, 1926	Balance on hand\$16.19
Postage 1926	2.00
		<hr/>
Leaving a balance	Jan. 1, 1927\$14.19

Since the passing of the Church Service League each branch of women's work is self-supporting, so that each branch of the Church Periodical Club should pledge to the diocesan office for the expense of stationery, postage and the Endowment Fund. One dollar from each branch will cover this until we grow and extend more than in the present. I shall be glad to hear from any branch ready to pledge today.

MRS. D. J. CAMPBELL.

RESOLVED, That it was a great privilege to be present at Corporate Communion;

That both Bishop and Mrs. Gray gave helpful hints on conducting Young People's Societies;

That Bishop Francis' appeal for individual missionary work should be taken to heart by those present and put into practice;

COUNCIL OF WOMEN MINUTES—Nov. 2, 1927

The regular semi-annual meeting of the Bishop and Council of Women of the Diocese of Northern Indiana was held at the Bishop's House, Mishawaka, on All Souls' Day, Wednesday, November 2, 1927. The meeting had been preceded by a Celebration of the Holy Eucharist at 9:30 a. m., in St. Paul's Pro-Cathedral.

The meeting was opened at 10:45 a. m. with prayers, led by the Bishop.

Roll call found the following present: Bishop Gray, Mrs. George F. Hitchcock, Mrs. Wm. Meade, Mrs. J. R. Adams, Mrs. W. J. Cordick, Mrs. Robert Happ, Miss Alice Goldthwaite, Mrs. L. S. Fichenscher, Miss Frances Haberly, Mrs. D. J. Campbell, Miss Elizabeth Springer and Miss Nellie Mullinex. These members formed representation from the following organizations: Woman's Auxiliary, Woman's Guild, Daughters of the King, Church Periodical Club and Guild of St. Barnabas for Nurses. There was no representative present from the Girls' Friendly Society. However, report had been sent. Two of the Districts were represented by the Chairman of one District and the Secretary-Treasurer of the other. Two visitors were present.

The minutes of the previous meeting were read and approved.

The Bishop gave a brief account of the general work of the Guild of St. Barnabas for Nurses, and welcomed our new member, Miss Elizabeth Springer, as representative of this organization.

Report from the Woman's Guild was given by Mrs. Fickenscher, who reported on:

1. The compiling and publishing of the Year Book of Women's Organizations.

2. General outline of work for the Guilds.
 - a. The Guild of each Parish had been requested to appoint a Parish Social Service Secretary.
 - b. Suggestions re work had been sent to each Guild.

3. Annual State Social Service Meeting, held in Elkhart.

4. Preparations for District Meetings.

5. Funds in treasury of Diocesan Guild. Mrs. Fickenscher asked and received permission not to obtain more pledges to the Diocesan Guild until next spring, as she stated there was sufficient in the treasury for needs until that time.

Mrs. Fickenscher also reported that the Guild had expected to make it financially possible for the G. F. S. Diocesan President to attend the G. F. S. Semi-Centennial in Boston, but that this was not now necessary, as an unknown giver had already sent her. The report was accepted as presented.

The Bishop took up the matter of the appointment of a successor to Mrs. Saida B. Wright, former Auxiliary Social Service Secretary. He suggested, as a possible solution, to Social Service Organizations that there might be a Social Service Commission, in which all Social Service work in each Parish should be headed up in one Chairman. The question would then be: Shall the Diocesan Organization be handled similarly, heading up in the Archdeacon, and aiding him in his work as Chairman of the Department of Social Service of the Bishop and Council?

Mrs. Fickenscher suggested that Social Service Secretaries be appointed in each Parish for the Auxiliary, the Parish Auxiliary Social Service Secretary reporting through and working under the Diocesan President of the Auxiliary, thus following the same general plan as is being carried out in the Guild, both the Diocesan Auxiliary President and the Diocesan Guild President co-operating with the Archdeacon as Diocesan head of Social Service work. It was agreed that this method should be adopted, and that Mrs. Hitchcock and Mrs. Fickenscher would serve as heads for Social Service work, the Parish Social Service workers to meet with them.

Noonday Prayers for Missions were read by the Bishop at 12:00 m.

The G. F. S. report was called for. Three Parish G. F. S. reports which had been sent by Mrs. Bigler were read. The report of the G. F. S. Diocesan Head for Missions was read by Miss Goldthwaite. Since the minutes of the Annual G. F. S. Meeting appear in the November 1, 1927, issue of the Diocesan Paper, these minutes were not read. The G. F. S. report, as a whole, was approved, there being no objection.

Luncheon, 12:30 p. m.

W. A. S. Executive Board Meeting, 2:10 p. m.

At 2:55 p. m. the Council of Women resumed business. An account of the work of St. Barnabas' Guild for Nurses was given by Miss Springer. The Huntington Branch, which is the only branch the Diocese of Northern Indiana has as yet, was organized June 11, 1927. Its membership is now eleven. The first meeting which they held was a banquet for the Archdeacon of the Diocese, who is Chaplain. Meetings are held each month, and in content, are spiritual, business and social. Followed a list of aims and activities of the Guild. This is an organization for nurses and associates of any denomination, but invariably under Chaplainship of an Episcopal Clergyman.

Miss Goldthwaite reported on the Memorial Fund by Districts, as follows:

Gary District	\$141.50
South Bend District	491.00
Logansport District	476.00

The above formed a total of \$1,282.55, including interest. Miss Goldthwaite asked that the plan of securing from each District seven contributors of of \$50.00 each be furthered at the District Meetings.

Report of the Corporate Gift was made by Mrs. Meade. She stated that the goal of \$500.00 has not yet been reached in pledges, the total pledge to date being \$449.50. It is, therefore, short a pledge of \$50.50. The amount paid to date is \$265.00. Practically every Parish and Mission has pledged.

The U. T. O. report was given by Mrs. Cordick, who stated that she had written to twenty-four Parishes and Missions. Some personal visits have also been made. The total fall offering to date is \$260.85. It is noteworthy that the offering from each place this fall has been better than any previous offering from the same place for a similar period of time.

The Treasurer's report was given by Mrs. Adams. She reported:

Pledges yet unpaid	\$142.50
Pledges paid	438.75

Total income for the year	\$581.25
Present balance in the bank	\$447.69

The National Executive Board expense of \$20.00 was discussed, and it was agreed the amount should be paid when due.

The need of increase in the Auxiliary Budget was discussed, the general idea being a need of an increase of about 33 1-3%.

The report of the Box Supply Secretary was read. (Copy attached.)

The Auxiliary report, as a whole, was accepted.

A report from the Daughters of the King was called for, and Miss Haberly gave a resume of the report given by Mrs. Wilson at Racine. This report was accepted.

The report from the C. P. C. was called for. Mrs. Campbell stated that postal rates continue to impede the work, but in an effort to establish a chain of reading she has received few replies. More co-operation is needed in the shape of replies to communications.

Adjournment took place at 4:15 p. m.

Respectfully submitted,

NELLIE MULLINEX,
Secretary.

DIOCESAN COUNCIL MEETING OF G. F. S.

(October 22 and 23, 1927)

The Fourth Annual Diocesan Council Meeting of the Girls' Friendly Society, in the Diocese of Northern Indiana, was held in Kokomo, Saturday and Sunday, October 22 and 23, opening with the Girls' Friendly service and address of welcome by Father Bigler, followed by a business meeting, called to order by the President, Mrs. Bigler.

The following officers and members were present: The Bishop, Mrs. Bigler, Mabel Cole, Daisy Ervington, Mrs. Fritz, Mrs. Miller and Margaret Overshiner.

Fort Wayne—Two officers, two delegates, four visitors.

South Bend—One officer, one delegate.

Marion—Two delegates, four visitors.

Kokomo—Three officers, two delegates, twenty-two visitors.

We enjoyed having Mrs. Gregory, our Provincial Vice-President; Miss Winifred Dunkle and Mrs. Gray as our guests.

The minutes of the Annual Meeting held in Fort Wayne in January, and the Council meeting held in Kokomo in May, were read and approved.

Mrs. Bigler gave a summary of her work as President during the year, after which the Treasurer's report was given, showing a balance of \$96.12 in the treasury. The Budget was discussed, and each Branch is urged to loyally support it. Marion was reported as having paid its full quota of \$50.00. Also, each Branch is urged to try to interest Diocesan Honorary Associates. The Secretary was instructed to write an article for the Diocesan Paper, in hopes that we might interest some in the Diocese.

A report of the Department of Activities was given by Margaret Overshiner. This year each Branch in the Diocese held a missionary service on Whitsunday, and the offering from this services was given to the Voorhees School, Denmark, South Carolina, with Kokomo giving \$8.83; Fort Wayne, \$5.00; Marion, \$4.14, and South Bend, \$3.00, with a total of \$20.97.

Each Branch is using Mite Boxes for their offering, which is to be given at their service on Whitsunday.

Mrs. Miller then gave a report on the Holiday House, held at Barbee Lake this summer, giving us a check for \$14.00 from registration fees, which is to go towards a Holiday Home Fund. A vote of thanks was given Mrs. Miller for the use of her cottages, and she hopes to have all seven of her cottages filled next year. A vote of thanks was given Miss Gerrard, a member from Kokomo, for her services as cook at Barbee. A discussion arose as to the amount of board paid, which is considered too low, but this was left in the hands of the Holiday House Committee, if they want to raise it.

Mrs. Miller thanked Father Bigler for acting as Chaplain and Mrs. Bigler for managing the house.

The Secretary then gave a report on the number of Branches and the membership of the G. F. S. in the Diocese, showing five active Branches, with three honorary associates, thirty working associates and one hundred and eleven members, with several new prospects in view.

Mrs. Fritz, Head of the Publicity Department, gave a report on Washington National Center. The quota for the Diocese for three years is \$171.60. We have paid \$129.00. This leaves a balance of \$42.60. As there is a deficit of \$10.10 which should have been paid by the Branches in Gary and Hammond, which are now inactive, a motion was made by Dorothy Jewell, and carried, that this be taken from the Diocesan treasury. As Mrs. Funderburk of Hammond was a Diocesan Associate at that time, the Secretary was instructed to write her and ask her if she would like to pay \$1.50 to go towards our quota.

A motion was made by Mrs. Fritz that the three Branches, Fort Wayne, South Bend and Mishawaka, who have not paid their quota, try to pay the balance of \$31.00 by the first of the year, the Diocese to try to meet all that falls short.

Miss Rose Bender, a delegate from Kokomo to the Wawasee Conference, gave an inspiring report of her week at the Summer School, and urged all Branches to send delegates next summer.

As this is the first year of our Budget, it was decided that the Diocese would not send a delegate to National Council, but that if the occasion arises that any one from the Diocese can go, the President has the power to send her as a deputy.

A report of the work done this year of Gethsemane Branch, Marion, was given.

Miss Lukacs, the Branch President of Trinity Hungarian Branch, gave an interesting summary of the work being done in South Bend.

Miss Martha Gerrard gave a splendid report of the work being done by St. Andrew's Branch, Kokomo. An interesting report of the Camp Fire Girls in Kokomo was given by one of their members, Billy Secord.

Mrs. Gray told of the work being done in Mishawaka, which is connected with the Camp Fire Girls. This is our newest Branch, which was organized last year, and has one associate and eight members.

The Secretary then read the corrections of the Constitution. A motion was made to adopt the Constitution as revised, the Secretary to send copies to the National Office, Miss Dunkle, the Bishop, the Diocesan Officers and Branch Presidents.

A report of the Nominating Committee was called for.

Miss Margaret Overshiner nominated the following officers for the coming year:

President—Mrs. C. E. Bigler.

Vice-President—Mrs. W. H. Fritz.

Secretary—Miss Mabel Cole.

Treasurer—Miss Daisy Ervington.

Head of Department of Activities—Miss Margaret Overshiner.

Head of Department of Finance—Miss Daisy Ervington.

Head of Department of Housing—Mrs. I. N. Miller.

Head of Department of Organization—Miss Mabel Cole.

Head of Department of Publicity—Miss Cecelia Abroham.

A motion was made by Edna Davies that the report of the Nominating Committee be adopted. Carried.

Margaret Overshiner moved that the nominating vote be the elective vote. Carried.

The meeting then adjourned for a delicious dinner, which was served at the Y. M. C. A. The tables were beautifully decorated with flowers and candles, and each girl was given a rose. Music was enjoyed during the dinner, after which Mrs. Gregory gave a very interesting and inspiring talk on her trip to the Holy Land. Miss Dunkle then spoke of the National Council to be held in Boston next month.

The girls of Kokomo Branch gave a very interesting program, which was enjoyed by all, after which games furnished the entertainment for the rest of the evening.

A Corporate Communion, with the Bishop as Celebrant, was held Sunday morning at 7:30, with a very good attendance. The offering at this service, amounting to \$9.69, is to go to All Saints' Girls' School at Bontoc, Philippine Islands.

At 9:30 Mrs. Gregory and Miss Dunkle gave a very helpful talk to the Associates, and later gave an interesting lecture to the Church School about Palestine, and illustrated with costumes and pictures.

The Festival Service was held at 11:00 o'clock, the Bishop preaching the sermon. The offering at this service, \$16.65, is to go to the Bishop for extension work in the Diocese.

Dinner was served to the members of the Council at the Country Club, after which a short business meeting was held.

Gethsemane Branch has invited the next Council meeting, in January, to Marion. It was decided that all members come on Saturday, so we can start our meeting early Sunday morning, the date is to be decided later.

Miss Ervington, Chairman of the Budget Committee, is to appoint the rest of her committee and report at the January meeting.

The possibilities of having a Year Book were discussed, the Secretary being appointed to find out the cost of printing, etc., and to report at the next meeting. Each Branch President and member is to bring material from their Branch for the Year Book at the January meeting.

The Secretary was instructed to send a signed ballot as vote to the National Council.

The Secretary was instructed to pay the bills for the Annual Meeting, not to exceed \$25.00, the amount allowed in the Budget.

The Secretary was asked to order a G. F. S. die for \$1.00, to be used on G. F. S. stationery.

Mrs. Bigler requests that each Branch start talking Holiday House and Wawasee Conference, so we can have a larger delegation from each Branch next year.

The Council voted to send a G. F. S. spoon to Miss Gerrard of Kokomo, in appreciation of the work she did for the Holiday House this summer.

The Treasurer was asked to send samples of material and the new price lists to each Branch President.

As the offering for the early service amounted to \$9.69, the Treasurer was instructed to pay the balance of 31c to make it \$10.00, a motion to that effect being made by Margaret Overshiner.

The meeting then adjourned.

Respectfully submitted,

MABEL COLE,
Diocesan Secretary, G. F. S.

ANNUAL MEETING OF THE WOMAN'S AUXILIAHY

The Annual Meeting of the Woman's Auxiliary of the Diocese of Northern Indiana was held in St. Paul's Pro-Cathedral, Mishawaka, Tuesday, May 8th, 1928. There was a Celebration of the Holy Eucharist at 7:00 a. m., the Bishop Celebrant, and a second Celebration at 9:00 a. m., Fr. Lockton being Celebrant. Immediately after this service the meeting was called to order by its President, Mrs. G. F. Hitchcock.

Bishop Gray spoke to the Auxiliary regarding unification of the women's work, saying that in the afternoon the Presiding Bishop would address them on this topic.

The matter of the use of the offering of the women at this meeting was discussed and referred to the Bishop, who suggested that it be used to apply on the old deficit of the General Church incurred prior to 1925. This suggestion was made a motion by Mrs. Lockton, seconded and carried. (Offering, \$36.80).

In her message to the Auxiliary, the President spoke on the following topics:

1. The Triennial. The Triennial message sent out in 1925 was read, as we are still working under the 1925 Triennium.

2. The Prayer Leaflets, "With Christ Where He Is", sent out by the Woman's Auxiliary to the National Council, and to be used in preparation for the 1928 Triennial.

3. The Bishop Tuttle Memorial Fund, which is used for the establishment of two houses for the training of workers for the mission field.

4. Summary of Diocesan report compiled from Parish reports.

The minutes of the previous meeting, held May 2, 1927, were read and approved.

The President then officially welcomed Mrs. John Gardner Murray, who answered with expressions of appreciation.

Communications were read regarding:

1. Triennial Regulations.

2. Bishop Rowe Foundation Fund.

3. Standards established by the House of Church Women and reports to them

The Treasurer's report, as appended, was read by Mrs. Adams. The report was accepted.

Report on the Corporate Gift was given by Mrs. Meade, as appended. Mrs. Meade gave a brief history of (1) The Emery Fund, and (2) The Bishop Tuttle Fund. Mrs. Meade stated that there is yet \$50.50 needed to complete the pledge of \$500.00, all of which, she urged, must be paid

by July 1, 1928. Miss Goldthwaite spoke with real inspiration, pleading that we go over the \$500.00 mark. The inspiration took wind, and additional pledges were made at once, as follows:

Elkhart	\$ 5.00	more
Marion	10.00	"
East Chicago	5.00	"
Mishawaka	5.00	"
Fort Wayne	10.00	"
La Porte	5.00	"
Plymouth	5.00	"
Indiana Harbor	5.00	"
Dolphi	5.00	"
<hr/>		
		\$55.00 "

This more than completed the \$500.00 pledge. The report was accepted.

The U. T. O. report was given by Mrs. Cordick, as appended. The report was preceded by the reading of the U. T. O. Prayers, a brief history of the U. T. O. and the request that U. T. O. hymns be sung, particularly between now and the Triennial. (They are Nos. 92, 200, 504, 333, 193, 2nd tune.) The report was accepted.

The report on the Memorial Fund was called for. The financial report was given by Mis Greene, as appended. The report was accepted. Miss Goldthwaite then reported the need of one founder from the Logansport District, five from the South Bend District and four from the Gary District. Miss Goldthwaite asked the privilege of transferring Mr. D. E. Snyder's gift of \$50.00, in memory of his wife, to the Founders' List. To this there was no objection. She also asked the privilege of taking the book to the District Meetings in the fall, and of receiving a little space on the program, which was granted. Her report was accepted.

The Box Supply Secretary being absent, this report was omitted.

The Educational Secretary's report was given by Mrs. Robert Happ, as appended, and accepted.

The President took up the matter of Constitution and By-Laws, saying the expectation had been to revise them, but that this was found to be not practicable, and that a new Constitution and By-Laws would be necessary.

The matter of delegates to the Triennial was taken up, and names were ballotted on from a list submitted by the Bishop, to which two nominations from the floor were permitted.

Prayers from the Memorial List of 1927-28 were read by the Arch-deacon.

After luncheon, it was found that there was a tie in the elections.

It was moved and seconded that Mrs. Cordick be sent as a delegate, inasmuch as it has always been the custom for the U. T. O. Custodian to present the United Thank Offering at the Triennial. Carried. Mrs. Fickenscher then withdrew in favor of Mrs. Lockton. This left the results of the election as follows:

Delegates to the Triennial of 1928	Alternates to the Triennial of 1928
Mrs. George F. Hitchcock.	Mrs. L. S. Fickenscher.
Mrs. William Meade.	Miss Nellie Mullinex.
Miss Alice Goldthwaite.	Mrs. D. J. Campbell.
Mrs. W. J. Cordick.	Mrs. Robert Happ.
Mrs. W. J. Lockton.	Mrs. C. E. Bigler.
	Adjournment.

Respectfully submitted,
NELLIE MULLINEX,
Secretary.

CORPORATE GIFT REPORT

At the meeting of the Triennial of the Woman's Auxiliary in October, 1925, at New Orleans, it was decided to make a Corporate Gift for advance work included in the program of the Church. This gift promised was \$100,000.00, and at the first meeting of the Woman's Auxiliary of our Diocese, held at the Bishop's House early in 1926, the committee decided to pledge \$500.00 toward this Fund. We asked for voluntary pledges from the Parishes to make up the \$500.00 pledged, these pledges to be paid in yearly installments.

The following Parishes and Missions responded through their local Auxiliaries or Guilds:

	Pledged	Paid
St. James', South Bend	\$ 50.00	\$ 50.00
St. John's, Elkhart	30.00	30.00

St. Paul's, Gas City	3.75	2.50
	<hr/>	<hr/>
	\$449.50	\$384.00

This report means that we are short \$50.00 of our pledge, and \$116.00 still to be paid. Miss Winston will close her books September 15th in order to have her report ready for the Triennial in October. I am asking some Parishes who did not respond as liberally as others to help in this deficit, and hope to have it all by July 1st. April 1st of this year, \$85,000.00 of the \$100,000.00 had been raised and paid over to the National Treasurer, who is paying off the six objects included in the advance work.

DIOCESAN CHAIRMAN.

Note—\$55.00 was pledged at the Annual Meeting of the Woman's Auxiliary May 8th. This more than completes the promised \$500.00. Pledges must be paid by July 1, 1928.

Educational Report

The outstanding accomplishments of the Department during the year were the Educational Conference for Auxiliary Officers, held in October, and the publishing of the first suggestive programs for Diocesan Branches of the Auxiliary. Though both undertakings were of a modest nature, they were, we hope, the beginnings of some very worth while things to be done at a later date.

The Secretary attended the National Educational Conference at Racine in September, and greatly benefited by the program presented.

I spoke at meetings in La Porte and Mishawaka, and led the discussion group on "A Church Awake" in my own Parish, St. James', South Bend.

Lent, this year, was marked by a very general determination throughout the Diocese to profit by study, and it is to be hoped that in a few years we may be able to claim credit as Auxiliary members for an accomplished goal of every group in every Parish doing real study, not only in Lent, but through the year, on the Church and its Program.

Respectfully submitted,
HELEN L. HAPP,
Educational Secretary.

**ANNUAL MEETING OF DIOCESAN GUILD
May 8, 1928**

The Annual Meeting of the Diocesan Guild was held at St. Paul's Pro-Cathedral, Tuesday, May 8th, at 12:15. The minutes of the last meeting were read and approved. The report of the Treasurer was read, accepted and ordered placed on file.

Archdeacon White submitted a report on Social Service, compiled from questionnaires which were sent out to each Guild, and asked that he be invited during the year to address the various organizations.

Various plans for earning money were discussed. The President spoke of the necessity of helping to pay off the debt of the Bishop's House.

The time allotted being consumed, the meeting adjourned.
Respectfully submitted,

COUNCIL OF WOMEN

May 8, 1928

The regular annual meeting of the Bishop and Council of Women of the Diocese of Northern Indiana, was held at St. Paul's Pro-Cathedral, Mishawaka, on Tuesday afternoon, May 8, 1928. The meeting had been preceded by two Celebrations of the Holy Eucharist, by the Annual Meeting of the Woman's Auxiliary and the Annual Meeting of the Woman's Guild.

The meeting was called to order at 2:55 P. M. by the Bishop of the Diocese, ex-officio President.

Roll call found the following members present:

The Rt. Rev. Campbell Gray, D.D., S. T. D.

Mrs. Geo. F. Hitchcock

Mrs. Wm. Meade

Mrs. J. R. Adams

Mrs. Robert G. Happ

Miss M. Gertrude Green

Mrs. W. J. Cordick

Miss Nellie Mullinex

Mrs. L. S. Fickenscher

Miss Frances Haberly

Mrs. E. J. Christman

Mrs. D. J. Campbell

Mrs. A. P. F. Gammack

Mrs. Geo. Walker

Minutes of the previous meeting were read and approved.

The Auxiliary report was called for. It was moved by Mrs. Hitchcock, seconded by Mrs. Meade, and carried that the minutes of the Annual Meeting of the Auxiliary held this forenoon be accepted as a report to the Council of Women.

The Guild report was called for. Motion was passed that minutes of the Guild meeting held this forenoon be accepted as a report to the Council of Women.

Mrs. Duddy read the G. F. S. report as appended. Accepted.

Miss Haberly read the Daughters of the King report as appended. Accepted.

The C. P. C. report, as appended, was read by the Secretary. Accepted.

The report of the St. Barnabas Guild for Nurses, as appended, was read by the Secretary. Accepted.

The reading of the minutes of the District Meetings was dispensed with to save time. The minutes of these three meetings are appended.

Fr. Bigler announced the Wawasee Conference, urging a representative attendance at Wawasee this coming summer.

Professor Bates of Indiana University spoke to the women regarding the Church's work among students at Indiana University, asking support for the work in whatever way possible.

The Presiding Bishop then addressed the women, first vouching for the need and virtue of the appeal made by Professor Bates, and then taking up the machinery of operation for women's work in the diocese.

He mentioned the seven diocesan organizations in his own diocese, the Diocese of Maryland, namely, the Woman's Auxiliary, the Daughters of the King, the St. Barnabas Guild for Nurses, the Girls' Friendly Society, the Church Periodical Club, the Church Mission of Help, and the Bishop's Guild. The heads of these organizations report to a central organization. The only officer common to the entire group is the Secretary of Religious Education.

Bishop Murray then stressed the importance, not of organization, but of purpose. The motive must be common to each group and each individual, and then the machinery will give no trouble. The Auxiliary, he stated, is of course the most important organization of women in the Church. There followed a marvelous tribute to womanhood. It has been the women of the Auxiliary who have restored the missionary character of the Church, and each baptized woman is a member of the Auxiliary, and therefore, one of these restorers.

The meeting was dismissed with the blessing of the Presiding Bishop.

Respectfully submitted,

NELLIE MULLINEX,

Secretary.

ANNUAL REPORT OF THE DIOCESAN PRESIDENT OF THE GIRLS' FRIENDLY SOCIETY, 1927.

Rt. Rev. Sir—Members of the Council of Women of the Diocese of the Diocese of Northern Indiana.

On May 6th a letter from the Bishop brought to me the news of Mrs. Gray's illness and her resignation as president of the Girls' Friendly Society. It became my duty as vice-president to finish out the year, as best I could. With the fine help and co-operation of the Diocesan Council, G. F. S. things went along. Here let me thank each individual member of the Council for her cheerful service. You are surely demonstrating the real G. F. S. spirit.

When it comes to actual accomplishments of the past year, there are few things for me to report in addition to the Department and branch reports. The probationary branch at Mishawaka has been admitted with

seventeen members. The candidates group at Kokomo has grown up and are now doing Camp Fire work and will soon become full fledged members of the Branch. Marion has started a candidates group.

The Girls' Friendly Society in the Diocese of Northern Indiana has at present five branches in the following parishes:

Fort Wayne — Trinity
 Kokomo — St. Andrew's
 South Bend — Trinity (Hungarian)
 Mishawaka — St. Paul's Pro-Cathedral
 Marion — Gethsemane

The present membership is as follows:

Honorary Associates	5
Active Associates	29
Members	88
Probationers	19
Candidates	2
<hr/>	
Total Membership	143

Regular meetings of the Diocesan Council were held January 15th at Trinity, Fort Wayne, May 15th at St. Andrew's, Kokomo, and the annual meeting October 22nd and 23rd at St. Andrew's, Kokomo.

I am especially pleased that our missionary program is so planned that we can have a united effort in the Diocese. The corporate spiritual gift is as important as the money.

IV. DIOCESAN GIFTS TO THE NATIONAL MISSIONARY OBJECTS
OF G. F. S. A.

Voorhees School, Denmark, South Carolina

Voorhees School is a school for negro boys and girls. It was found-
ed in 1897 with 14 students and 2 teachers, by Miss Elizabeth Wright,

who was graduated from Tuskegee in 1894. The School has grown to an enrollment of 602. Voorhees School is in need of another girls' Industrial Building for teaching cooking, sewing, and laundry work. The G. F. S. A. promise to try and raise \$5,000 for the first half of the \$10,000 needed for this building.

At the Diocesan Council meeting the Girls' Friendly in this Diocese, held in Kokomo, May, 1927, a motion was carried that each branch hold a missionary service on Whitsunday, and that the offering from the service be given to Voorhees School.

Total Whitsunday missionary offering from branches in the Diocese \$20.97

All Saints' Girls School, Bontoc, the Philippine Islands.

Bontoc is a town 8,000 feet above sea level. Twenty years ago missionary work was started in Bontoc among the little primitive brown people there, called Igorots, by the Rev. W. C. Clapp. There are several schools for both boys and girls now at All Saints' Mission, and several out stations with devoted women workers alone among the people. Today as a result, boys from All Saints' Mission are to be found all over the mountain province as teachers in government schools or as secretary-treasurers in the various townships. Some G. F. S. branches give scholarships to the girls' school at this Mission. Others that cannot do that, help toward one.

At the annual diocesan meeting of the Girls' Friendly in this Diocese, held in Kokomo, October 22 and 23, 1927, a motion was carried that the offering from the early Corporate Communion Service on Sunday be given for All Saints' Girls' School, Bontoc.

The offering from the early Corporate Communion Service.... \$10.00

V. DIOCESAN GIFT FOR EXTENSION WORK

At the same annual meeting the offering from the late Service on Sunday was voted to be sent to Bishop Gray for extension work in the diocese.

The offering from the late Service \$16.65

GRAND TOTAL OF GIFTS OUTSIDE OF THE G. F. S. \$269.77

This has been an especially trying year for two reasons. First we have been working under our new constitution, testing it out, looking for weak spots and places to improve. It is going to be an increasing source of help to us as we use it. It will always have to be amended (canons always are). This is not a sign of weakness, but of growth.

Second—We have fallen in line with the whole movement in G. F. S. toward self support. We have adopted a budget. I know it came as a shock to every Branch to be asked to help raise it, but the more we thought about it and worked for it, the easier it became. It is going to be the means of strengthening the diocesan work in every way. But we must have 100% co-operation.

The house has been purchased for our Washington National Center, and this diocese is very proud that we have paid our full quota, \$171.60

We had the pleasure of having Mrs. Gregory, our provincial vice-president and Miss Winifred Dunkle, the extension secretary for the Province, as our guest at the annual meeting held in Kokomo. Mrs. Gregory gave a delightful talk on her recent travels in the Holy Land.

The history of the Girls' Friendly Society in the Diocese has just been completed by Miss Margaret Overshiner. A copy is being sent to National Office and one to each Branch in the Diocese.

And now for the future.

There are two special things we want to concentrate on as we go forward to another year.

First—Building the membership.

Second—The Holiday House.

What do I mean by "Building the membership"? When we build anything, we must build from the bottom to the top. We cannot build the foundation and stop here, we cannot take a roof and stick it up in the air with nothing to put it on. We need it all. The G. F. S. is for every girl, of every age. The strength and permanency of our Branch depends on this. The branch that confines its efforts to one group, little girls, high school girls, business girls, or any little clique, is going to die. We must continually feed from the bottom, find new candidates who will become younger members, and younger members who will become older members, and keep our programs so varied that each group will find something to interest it. Let us all try this year to keep those three groups in mind and not let our building show a weak spot at the top or the bottom, or in the middle.

And now the Holiday House.

Location of House — Barbee Lake.

		\$14.00—Holiday House Fund out on interest.

These cottages are donated by Mrs. I. N. Miller for one week in June, for the use of the Girls' Friendly Society in the Diocese.

It is an instinct with every woman to desire to have her own home. Maybe that is why girls all over the country work so hard to have Holiday House. Think if we had one all our own. Think of how much fun it would be to furnish it, how much fun it would be to go to it, how much fun it would be to invite our friends to it.

It has always been some loving mother who has cared for the child and started him out in his own home. And so our mother Mrs. Miller, is helping us along until we learn how to stand on our own feet and can walk by ourselves. We hope the time is not far off when we can have a home of our own. I am sure that this will strengthen the work in this diocese as nothing else will. We make this our second objective, and for it we are working hard and praying hard.

As we read the reports of our great jubilee in Boston, it makes us feel thankful to be only a little bit of this great society of ours. It makes us feel as all three year old children do, that we would like to step out of our baby clothes and do big things with the rest of the world. With the guidance of the Holy Spirit we will go on.

If each Branch will rise to its obligations, will co-operate in all Diocesan enterprises, there will be big things ahead for us.

Respectfully submitted,
MARGARET K. BIGLER,
Diocesan President.

REPORT OF THE DAUGHTERS OF THE KING

Our little chapter, a part of the Bishop's Chapter, Daughters of the King, has been in existence just two years.

The work we have done has been to try to help Bishop Gray with vestments for his candidates. We have made Albs, Communion Vestments, sets of Altar linen, had vestments cleaned, and relined them.

Our work this year was a set of Altar linens for Bishop Gray. A box sent to a Clergyman in Illinois to be used in his charity work. One copy of the Spirit of Missions has been sent out each year by the Chapter. No meetings have been held, no dues collected.

This year we were helped in our work by Mrs. Gaylord M. Leslie of Fort Wayne, Mrs. D. J. Campbell of Mishawaka, Mrs. L. S.

Fickenscher of South Bend, Mrs. Averal of Fond du Lac, Mrs. W. W. Daup, Texas, and by a Society of Catholic girls in Fort Wayne.

While South last winter, I went up to Sewanee, Tenn., and had a very pleasant visit with Mrs. Loring Clark, who is interested in our work and very anxious that a change in your house address be sent to the Secretary, so your copy of the Royal Cross will continue to come to you.

Mrs. Christman wants added to this report that the Chapter of the Daughters of the King belonging to Triniy Church, Fort Wayne, have through their efforts brought one family back into the Church.

(Signed) FRANCES HABERLY,
Secretary, Bishop's Chapter.

He then announced the coming of the Presiding Bishop and gave us the plans for his visitation. Miss Beardsley's message to the women was most inspiring and she urged that the women overcome their lukewarmness by deeper spiritual life.

It was moved and seconded that these names be accepted.

That Miss Beardsley's visit and address on the work of the Auxiliary will stimulate the efforts of the women.

Further Resolved:

That an expression of appreciation be extended Gethsemane Parish for their delightful hospitality.

The meeting was dismissed by the Bishop.

ANNUAL DIOCESAN COUNCIL MEETING OF THE G. F. S.

(September 8 and 9, 1928)

The fifth annual diocesan council of the Girls' Friendly Society in Northern Indiana met in Mishawaka Saturday and Sunday, September 8th and 9th, with Trinity Hungarian Branch as hostesses.

After the G. F. S. Service and address of welcome by Bishop Gray, the meeting was called to order by the president, Mrs. Bigler.

The following officers and members were present: Bishop Gray, Mrs. C. E. Bigler, Mrs. W. H. Fritz, Mabel Cole, Daisy Ervington, Margaret Overshiner, Cecelia Abroham, Rose Lukacs, Catherine Stearns, Mrs. George Shaw and two member delegates from Fort Wayne, Kokomo, Marion, Goshen, Mishawaka and South Bend and two visitors from Fort Wayne, eight from Kokomo, five from South Bend, six from Mishawaka and two from Goshen. We also had the pleasure of having Miss Dunkle of Chicago, Mrs. Gray, the Dean and Mrs. Rogers as our guests.

The minutes of the last annual meeting held in Kokomo and the council meetings held in January and May, were read and approved. Hereafter all G. F. S. material for the diocesan paper should be sent with the parish notices.

The treasurer's report was read by Miss Ervington and approved, showing a balance of \$49.26. The Holiday House fund has grown to \$51.21 which is out on interest.

The budget for 1928 was read, showing that Marion and Kokomo were the only branches which have paid their full diocesan quota.

Mrs. Bigler gave a summary of her work as president during the year.

Miss Margaret Overshiner gave a report of the Whitsunday Services held in the diocese. The offering on this day amounted to \$31.16, which is to go towards the G. F. S. missionary object in Liberia.

A letter was read from Miss Helen Brent, chairman of the missionary department, urging all branches to send in their reports more promptly.

In the absence of Mrs. Miller the report of the Holiday House was read by Mrs. Fritz. A telegram was sent Mrs. Miller expressing our regrets that she was unable to be with us.

A report of the Department of Organization was read showing an increase of fifteen members and a new branch in Goshen.

The reports of the different branches in the diocese were read by LeEtta Siebold and Alice Ferguson of Trinity branch, Fort Wayne, Virginia Pearson of Gethsemane branch, Marion, Frances Miedel of St. Andrew's branch, Kokomo, Rose Lukacs of Trinity Hungarian branch, South Bend, and Catherine Stearns of St. Paul's branch, Mishawaka. All gave splendid reports.

Mrs. Bigler read a letter from Mrs. Pfau, the national treasurer, in regard to raising the national budget. In January each branch pays dues for two years (1928-1929). Mrs. Bigler urged every branch to respond promptly to Mrs. Pfau's letter and study the problem in their branches. It was taken by assent that the Diocese would accept the proposal of the National Committee on Finance.

The Provincial meeting is to be held October 5th, 6th and 7th, at Racine, Wisconsin and all branches are urged to send delegates. Mrs. Bigler and Miss Martha Grosvenor of Fort Wayne were elected as delegates to represent the diocese.

A letter was read from Miss Morton, the provincial treasurer, thanking us for the \$25.00 we sent to go toward the expenses of a field secretary in this province.

A discussion followed the reading of a letter from Miss Isabelle Bronson, chairman for younger members, asking us to send a delegate to a meeting in New York in November. A motion was made by Miss Stearns that "we make an effort to raise money to send a younger member to this meeting." Carried.

All branches are asked to send in material for a new song book, to Mrs. Bigler.

A discussion arose in regard to the number of elective member delegates on the council and was left as before with five members being eligible.

A rising vote of thanks was given Mrs. Bigler for managing the Holiday House at Barbee, to Mrs. Duddy for doing the cooking, to Trinity Hungarian branch and St. Paul's branch for entertaining the council and to the Dean and Mrs. Rogers for the use of the Parish House.

The following is the report of the nominating committee:

President—Mrs. C. E. Bigler, Kokomo.

Vice-President—Mrs. W. H. Fritz, Fort Wayne.

Secretary—Margaret Overshiner, Marion.

Treasurer—Mabel Cole, Marion.

Activity—Daisy Ervington, Kokomo.

Housing—Mrs. Geo. Shaw, Goshen.

Member delegates—Mildred Grosvenor, Fort Wayne
Virginia Pearson, Marion.

The meeting then adjourned for a delicious Hungarian dinner served by the Hungarian branch, after which the members gave some Hungarian dances in costume. Father Smith spoke of the customs of Hungary, which was enjoyed by all.

A Corporate Communion was held Sunday morning at 8:15 at St. Paul's Pro-Cathedral with the Bishop as Celebrant. The offering at this Service amounting to \$10.55, is to go towards our missionary object in Liberia.

At nine o'clock the members gathered together for a discussion regarding the changing of the policy of the Holiday House, but nothing definite was decided on.

At this same hour Miss Dunkle met the group of younger members (ages 12-17) and discussed possibilities for organization and for sending delegate to National Younger Member Conference next June. Miss Charlotte Secord was elected Chairman for Younger Members and asked to communicate with the other branches and try to receive \$100.00 for a delegate.

A motion was made by Cecelia Abroham "that all bills be paid for this meeting, not to exceed the amount allowed in the budget."

The council has been invited to Kokomo for the January meeting and to Fort Wayne for the annual meeting in October.

The meeting adjourned for the festival service held at St. Paul's Pro-Cathedral with the Bishop preaching the sermon, after which the members had dinner at the hotel.

Respectfully submitted,

BISHOP AND COUNCIL OF WOMEN MINUTES

(November 22, 1928)

The regular semi-annual meeting of the Bishop and Council of Women of the Diocese of Northern Indiana was held at the Bishop's House, Mishawaka, on Thursday, November 22, 1928. The meeting had been preceded by a Celebration of the Holy Eucharist at 9:30 A. M. in St. Paul's Pro-Cathedral, Dean Rogers Celebrant.

The meeting was opened at 10:45 A. M. with prayers led by the Bishop.

Roll call found the following present: Bishop Gray, Mrs. Geo. F. Hitchcock, Mrs. W. J. Cordick, Mrs. Robert Happ, Miss Gertrude Green, Mrs. L. S. Fickenscher, Mrs. W. H. Fritz, Mrs. D. J. Campbell, Mrs. A. P. F. Gammack, Mrs. G. W. Gardner and Miss Nellie Mullinex.

The minutes of the previous meeting were read and approved.

The Auxiliary report was called for and given in accordance with the reports printed in the minutes of the Auxiliary Board meeting held later the same day.

Because of illness it was not possible for the Chairman of the Corporate Gift, Mrs. Wm. Meade, to be present this day. It was moved by Mrs. Hitchcock and seconded by Mrs. Gammack that we send a message of love and greetings to Mrs. Meade. Carried.

The Guild report was requested. Mrs. Fickenscher read a message from the treasurer of the Diocesan Guild which stated that the present balance in the treasury is \$205.50, with no disbursement since the June reports. Mrs. Fickenscher at this time presented her resignation, stating that she could not go on with Diocesan Guild work. The matter was taken up again later.

The Girls' Friendly report came next. Mrs. Fritz reported that due to Fr. Bigler's resignation as Rector of St. Andrew's, Kokomo, it was necessary for Mrs. Bigler to resign as President of the G. F. S. Mrs. Bigler is leaving December 10th, and Mrs. Fritz as Vice-President will then assume the duties of President of the Girls' Friendly. Mrs. Fritz reported an active organization and gave a brief resume of work being carried on.

No delegate from the Daughters of the King was present, and no report had been sent.

Mrs. Campbell reported on the Church Periodical Club as follows:

In the spring, St. Andrew's, Kokomo, asked for some C. P. C. instruction, whereupon I wrote a sort of speech and sent it to Mrs. Watson, their C. P. C. Secretary, to read at a Woman's Auxiliary meeting. She informed me she thought it did much good, and they sent (for the first

time) one dollar for the Endowment Fund and another for expense of the diocesan office. Gethsemane, Marion has also contributed to each of the above. In October I went to Elkhart, and spoke at the Auxiliary meeting.

Throughout the diocese, there are 64 donations of magazines, besides 14 direct subscriptions, and 5 boxes of books have been sent.

Mrs. D. J. Campbell, Diocesan Director C. P. C.

Because of reduction in postage, magazines as well as subscriptions can now be used, and Mrs. Campbell requested that all take this information back with them to their various parishes. Each parish and mission should have a C. P. C. Secretary, but many still do not have.

As District Chairman of the South Bend District, Mrs. Gammack spoke of the Emergency Committee which was appointed at the District Meeting at Bristol to make an effort toward securing funds for the Episcopal Residence before November 25th, the date on which the next note falls due.

Bishop Gray reported that at all three of the District Meetings, it was voted that the offerings at these meetings be used for a Bishop's cassock for the Rt. Rev. Theophilus Momolu Gardiner, D. D., Suffragan Bishop of Liberia. The amounts of these offerings were:

South Bend District, at Bristol.....	\$28.25
Gary District, at Hammond.....	18.53
Logansport District, at Delphi.....	24.64
	<hr/>
	\$71.42

Bishop Gray took up the question of organization and mentioned the possibility of having only the Auxiliary which would work in the five fields of service. Parochial and diocesan organizations were discussed. The Bishop appealed to Mrs. Fickenscher for her advice, considering present conditions. Mrs. Fickenscher suggested that the Auxiliaries ask the Guilds to take part of the responsibility of Auxiliary work. She followed this by the suggestion that the Diocesan President of the Auxiliary obtain reports from the Guilds similar to those that had been sent to her as Diocesan Organizer of Guilds, and that the sooner the office of Diocesan Chairman of Guilds is abolished, the sooner can the Auxiliary President cement the work of the Guilds and Auxiliaries.

Mrs. Gammack moved, seconded by Mrs. Fickenscher and carried, **Resolved**, That for the present the Auxiliary President take over the work of the Guild, and thus dispose of the Diocesan Organization of Guilds.

In accordance with a suggestion made by Mrs. Fickenscher, it was moved by Mrs. Cordick, seconded by Mrs. Campbell, and carried, **Resolved**. That all funds now in the Diocesan Guild treasury which were received prior to May, 1928, be divided equally between the Bishop's House Funds and the Memorial Fund, and that all funds paid into this treasury since May, 1928, go to the Diocesan Auxiliary.

The Bishop voiced his appreciation of the constructive work done by Mrs. Fickenscher for the diocese, and a motion was made by Mrs. Cordick, seconded by Mrs. Hitchcock, that our thanks and our appreciation be extended to Mrs. Fickenscher for her clarifying exposition of the work. It was carried, and a rising vote of thanks was given. Mrs. Fickenscher moved that the Secretary write Mrs. McBride explaining the disposal of the funds. It was seconded and carried.

Various plans were discussed for the next annual meeting which will come April 30, 1929. It was the consensus of opinion that this meeting should be patterned after the District Meetings in this respect, that it should be one large body of women to which all the women of the diocese shall be admitted with equal privileges of voice and vote.

Adjourned at 1:30 P. M.

Respectfully submitted,

(Signed) NELLIE MULLINEX,

Secretary.

Miss Goldthwaite stated that Mrs. Susan Wetmore was to speak in Marion January 4th on work in the Southern Mountains, and that it would be possible to secure her for other places in the diocese. Mrs. Wetmore is Principal of Christ School, Arden, North Carolina.

The Educational Secretary, Mrs. Happ, reported on the new study book, the "African Library", the Missionary Calendars, and other educational work. She recommended no printed Educational Programs for this year, as she did not feel that the program last year had sufficient recognition to warrant its expense. Mrs. Happ stated that Miss Elizabeth Matthews, Chairman of Religious Education of the House of Church Women of the Province of the Mid-West, had requested of her names of women of this diocese whose main interest and work in the Church is Religious Education. Mrs. Happ requests that such names be sent her.

A motion was made by Miss Goldthwaite, seconded by Mrs. Happ and carried that the President of the Woman's Auxiliary should be allowed an expense account from which she may deduct her expenses to parishes and missions, where there is no fund in the aforesaid parishes to take care of this. This motion also carried the decision that the expenses of the Auxiliary President to the District Meetings be allowed.

Discussion of the program for the Annual Meeting followed. Miss Goldthwaite was authorized to write Miss Elizabeth Matthews, inviting her to speak at the Annual Meeting of Women to be held April 30th, 1929.

Adjournment.

Respectfully submitted,

Secretary.

THIRTIETH ANNUAL MEETING OF WOMAN'S AUXILIARY

(April 30, 1929)

The 30th Annual Meeting of the Woman's Auxiliary of the Diocese of Northern Indiana was held in St. James' Church, South Bend, Tuesday, April 30th, 1929. There was a Celebration of the Holy Eucharist at 9:00 A. M., the Rev. E. E. Smith of Trinity Church, South Bend, being Celebrant. At this Service, the Book of Remembrance and the accompanying fund, referred to later in these minutes, were presented at the Altar.

The meeting was called to order by its President, Mrs. G. F. Hitchcock. Prayers were led by the Bishop.

Roll Call found representatives present as follows:

The above roll call covered representation from the following organizations: Woman's Auxiliary, Girls' Friendly Society, Daughters of the King, Church Periodical Club, St. Barnabas Guild for Nurses. One District Chairman was present.

The Bishop's Address to the Auxiliary followed. He spoke of the movement of the House of Church Women to become the Woman's Auxiliary. He then congratulated the Auxiliary on the completion of the Memorial Fund, and asked that the handling of the fund be definitely decided upon. His request was that the fund be turned over to the Trustees of the Diocese as a trust fund, with clear and definite instructions as to what the income is to be used for, and in what manner and by whom it is to be handled.

In Mrs. Hitchcock's address as President of the Auxiliary, she spoke of the great loss the Auxiliary had sustained in the death of Mrs. John Hazen White, and in the death of Mrs. Jennie Meade. She spoke regretfully of the resignation of Mrs. Adams as treasurer and Mrs. Knepp as Box Supply Secretary. In her program for the coming year, she urged:

1. That "B" Branches of the Auxiliary be formed. These are composed of women who, for various reasons, are unable to meet with the Auxiliary at their regular sessions, but who meet together at a time convenient to them and carry on the work of the Auxiliary.

2. That, whenever possible, the Woman's Auxiliary take an active part in Church School work.

3. That more women be sent to the Training Schools to be properly trained for work in the Church.

4. That more attention be given to publicity in every way, through newspapers, Church magazines, pamphlets, et cetera.

5. That our zeal for missions be rekindled.

The following committees were appointed by the President:

Nominating: Chairman, Mrs. W. J. Lockton
Mrs. Campbell Gray
Mrs. A. P. Forbes Gammack

Resolutions: Chairman, Mrs. Robert Happ
Mrs. W. H. Young

The treasurer's report from Jan. 1, 1928 to Jan. 1, 1929, as appended, was read by the Secretary. Miss Green, treasurer, reported that at the present time (April 30, 1929) there is \$293.08 on hand, and that pledges are coming in fairly well.

The U. T. O. report, as appended, was given by Mrs. Cordick, and the purposes toward which this fund is directed were related.

Parish reports of Auxiliaries and Guilds were presented by the Secretary, in bulk and without reading, with the request that they be included in the general acceptance of all reports.

Miss Goldthwaite reported on the completion of the Memorial Fund, her report being appended. Miss Green's report as treasurer of this fund is also attached. Miss Goldthwaite then presented the following resolution, the adoption of which she moved. It was seconded and unanimously carried:

Resolved, That the Memorial Fund raised by the Woman's Auxiliary of the Diocese of Northern Indiana in connection with the Book of Remembrance be placed in the custody of the Trustees of the Diocese of Northern Indiana, a Corporation, to be held in trust by them, the principal thereof to be invested, the income from which shall be paid to the Missionary Treasurer of the Diocese to be used for Missions and Church Extension within the Diocese at the discretion of the Bishop and Diocesan Department of Missions and Church Extension.

It was moved by the Bishop, seconded by Mrs. Hitchcock, and unanimously carried that a rising vote of appreciation be given Miss Goldthwaite and Miss Green for the successful completion of this important work.

The following reports, as attached, were given:

Corporate Gift, Mrs. L. B. Faust
Educational Secretary, Mrs. Robert Happ
Church Periodical Club, Mrs. D. J. Campbell
Daughters of the King, Miss Frances Haberly
St. Barnabas Guild of Nurses, Miss Elizabeth Springer

The report of the Girls' Friendly Society was not presented at this annual meeting, but was later received by the Secretary, and is therefore published with the other reports in the Year Book.

The report of the Committee on St. Luke's Hospital was given by Mrs. Gaylord Leslie, Auxiliary Chairman, and Mrs. Evans, Auxiliary Treasurer of this fund, and is attached.

Nominations to the meeting of the House of Church Women of the Fifth Province were made from the floor as follows: Mrs. J. B. Shick,

Mrs. L. B. Faust, Mrs. Geo. F. Hitchcock, Mrs. W. J. Lockton, Mrs. Gaylord Leslie, Mrs. L. S. Fickenscher, Mrs. Robert Happ, Miss Nellie Mulnix, Mrs. W. J. Cordick, and Mrs. J. R. Adams.

It was moved by Miss Goldthwaite, seconded and carried, that Mrs. Hitchcock, President, be one of the delegates to this meeting, and that the other four be elected by ballot.

The proposed Constitution and By-Laws of the Northern Indiana Branch of the Woman's Auxiliary to the National Council, as presented by the Committee on Constitution and By-Laws was next considered.

Article IV was amended to read:

"The officers of this organization shall be the Bishop, a President, a Vice-President, a Secretary, a Treasurer, a United Thank Offering Treasurer, an Educational Secretary, a Chairman of Specials, a Box Supply Secretary, and the three District Chairmen. These officers shall constitute the Executive Board of the Auxiliary."

Article VII, Sec. 5 was amended to read:

"The President and United Thank Offering Custodian shall constitute two of the delegation to the Triennial and the President one of the delegation to the annual meeting of the Provincial Organization of women. The other three delegates to the Triennial and the other four to the Provincial Organization of women, together with the five alternates, shall be elected at the Annual Meeting."

These articles were approved as amended. All other Articles and the By-Laws were approved, and it was moved by Mrs. Lockton, seconded by Mrs. Randall that the Constitution and By-Laws, as amended, be accepted as a whole. Carried. The Constitution and By-Laws, as approved, are attached.

At noon prayer and intercessions from the Book of Remembrance were said by Archdeacon White, special mention being made of names of those deceased during the past year.

Luncheon was served at the Oliver Hotel to 102 guests, an increase in the number who responded to roll call.

Announcement was made that the offering would go to the Bishop's House Fund. The amount of the offering was \$37.20.

The Book of Remembrance and the accompanying fund of \$2700.00 were at this time presented to the Bishop by Miss Alice Goldthwaite, Chairman. The Bishop's acceptance was made with expressions of appreciation to Miss Goldthwaite as Chairman, to Miss Green as Treasurer, and to all those who have aided in its compilation and completion.

Mrs. George Paul Torrence, former Auxiliary President of this Diocese, was present at the luncheon as guest of honor.

At 2:00 P. M. Miss Elizabeth Matthews, now Chairman of Religious Education of the House of Church Women of the Fifth Province, addressed the Auxiliary on "Adult Education."

Immediately following her address, the concluding business session was held.

The Nominating Committee presented the following nominations:
President, Mrs. Geo. F. Hitchcock
First Vice-President, Miss Alice Goldthwaite

Secretary, Miss Nellie Mullinex
Treasurer, Miss Gertrude Green
U. T. O. Custodian, Mrs. W. J. Cordick
Educational Secretary, Mrs. Robert Happ
Box Supply Secretary, Mrs. S. R. Pace
Chairman of Corporate Gift, Mrs. L. B. Faust

The Bishop took the Chair. Mrs. Shick moved that the nominations be closed and that the Chair be requested to cast a unanimous vote for these nominees. Seconded and carried. The President returned to the Chair.

Mrs. Lockton moved, seconded by Mrs. Happ that all reports as presented during the morning session be accepted. Carried.

It was announced that the reading of the minutes of the last Annual Meeting had been omitted, but that as they have been printed in the Year Book, they would stand approved, there being no objection.

Voting by ballot on the delegates to the meeting of the Provincial House of Church Women took place. Mrs. Archie Price served as teller. It was moved by Mrs. Campbell, seconded and carried that the five remaining nominees be the alternates. The delegates and alternates to the meeting of the Provincial House of Church Womeen to be held in Indianapolis, October 16, 17, 1929, are:

Mrs. Robert Happ, Chairman of the Resolutions Committee, presented the following resolutions:

The Northern Indiana branch of the Woman's Auxiliary to the National Council in convention assembled at South Bend, Indiana, on April 30th, 1929, herewith offers the following resolutions:

I Whereas, God in His infinite wisdom hath called to eternal rest the soul of Mary Louise White, our beloved friend and co-worker, and

Whereas, she, by her example, was the source of continual inspiration during the pioneer days of the Church in Indiana,

Be it therefore resolved, that this Conventoon extend most sincere sympathy to her family and

Be it further resolved, that a copy of these resolutions be sent to them and that a copy of the same be spread upon the minutes.

II Whereas, a Divine Providence has seen fit to take from us Jennie Meade who, during many years labored for the advancement of the Church in this Diocese,

And whereas her work and her faith shall provide a constant example for others,

Therefore be it resolved that this Convention extend its sympathy to her family,

And be it further resolved that a copy of these resolutions be sent to them and a copy of the same be spread upon the minutes.

III Insomuch as the Book of Remembrance of the Woman's Auxiliary has reached completion through the consecration to this task of Miss Alice Goldthwaite,

Be it resolved that this Convention express to Miss Goldthwaite its deepest gratitude for her continued and unceasing efforts successfully to accomplish this great work,

And be it further resolved that the services of Miss Gertrude Green who has been a most able treasurer of the funds from the book, be given appreciative recognition.

IV Whereas, Miss Laura K. Boyer, who so ably served the Woman's Auxiliary as one of its National Educational Secretaries, is no longer a member of the national staff,

And whereas we, the women of the Woman's Auxiliary, have been the recipients of great help and inspiration through her rare scholarship and leadership,

Therefore, be it resolved, that we send to Miss Boyer our greetings and an assurance of our continued friendship,

Be it further resolved, that a copy of this resolution be sent to Miss Boyer and a copy of the same be spread upon the minutes.

V Whereas, through the generosity of the National Woman's Auxiliary, the Diocese of Northern Indiana was privileged to have the services of Miss Edna Beardsley for several weeks of work in the various parishes,

And whereas Miss Beardsley, through her enthusiasm and sympathy, was able to interpret the program of the National Church in many of its phases to our people,

Therefore, be it resolved, that the convention express to Miss Beardsley its thanks for her aid in bringing this work closer to our hearts and minds,

And be it further resolved, that a copy of these resolutions be sent to Miss Beardsley and a copy be spread upon the minutes.

VI Whereas, Mr. Andrew Weisberg has so kindly extended to this convention the use of the Rotary Room in the Oliver Hotel for this evening's entertainment,

Be it resolved that we go on record as expressing our appreciation of the same.

VII Whereas, Mrs. Campbell Gray, because of illness, is absent from our meetings today, and

Whereas, she has made most helpful and intelligent contributions to discussions at such sessions previously,

Be it therefore resolved that her absence be recorded with regret, and resolution of greeting be sent her from this assemblage.

VIII Whereas, it has been the great fortune of this branch of the Woman's Auxiliary to have as its guest today Miss Elizabeth Matthews, and

Whereas, Miss Matthews is recognized as a most outstanding woman in the Church and has brought to us much inspiration through her vibrant personality,

Be it therefore resolved, that this convention extend to her our heartfelt appreciation for the contribution she has made to the happiness of this day.

Note: No report of the Box Supply Secretary was given at the Thirtieth Annual Meeting of the Woman's Auxiliary, but a report as of November,

1928 may be found in the report of the Executive Board Meeting of the Woman's Auxiliary, held Nov. 22, 1928, and printed elsewhere in this issue.

THE BOOK OF REMEMBRANCE AND THE MEMORIAL FUND

When the Woman's Auxiliary in the Diocese of Northern Indiana celebrated its 25th Anniversary, 1923, a plan was adopted to record the history of the 25 years of work and to raise a fund of \$2,500.00, which was to be held in trust, the interest to be used for missions and extension work in the Diocese.

At the meeting held in St. Thomas' Church, Plymouth, the Chairman reported three personal gifts amounting to \$100.00 and \$522.72 from parishes and group meetings. This was far from our goal, but a nucleus for a savings account. Our efficient Treasurer placed it in a savings account in a Fort Wayne Bank, and each 6 months added the interest to the principal. In 1926, following the death of Bishop White, to whom the Book is dedicated, a gift from Auxiliary branches in the Diocese, designated as the Bishop White Memorial Fund, augmented our treasury by several hundred dollars. In the meantime, memorials were given for deceased members and Jan. 1, 1927, the fund totaled almost half the goal. At the annual meeting in Mishawaka, the Chairman was given consent to find 20 women in the diocese who would each give fifty dollars, and be placed in the Founder's List. This has been a great joy. Eighteen names were placed on this list: 7 from the Gary District; 8 from the Logansport District; and 3 from the South Bend District. The goal was in sight.

Following the death of the lovely wife of Bishop White, parishes throughout the Diocese were given the privilege of contributing to a Mary Louise White Memorial Fund. We have more than completed our goal. Our efficient Treasurer, Gertrude Green, of Fort Wayne, will give the financial details.

THE PRESENTATION OF THE BOOK OF REMEMBRANCE AND THE MEMORIAL FUND

(By Miss Alice Goldthwaite, Chairman)

To the Rt. Rev. Campbell Gray, D. D., S. T. D.,
Bishop of Northern Indiana.

This Book is dedicated to the Right Reverend John Hazen White, D. D., and in grateful memory of all who have gone from us to the Paradise of God; and those living who have shown their interest in the Woman's Auxiliary through their prayers, their work and their gifts.

There are 973 names in the Book and 18 names on the Founders' List. It contains the Jewels of the Diocese and it is with great reverence we present this Book to our Bishop for him to preserve.

With this Record, we are happy to present a gift of money to be placed in the custody of the Trustees of the Diocese of Northern Indiana, a Corporation, to be held in trust by them, the principal thereof to be invested; the income from which shall be paid to the Missionary Treasurer of the Diocese to be used for Missions and Church Extension within the Diocese at the discretion of the Bishop and Diocesan Department of Missions and Church Extension.

This is to perpetuate the work of the Woman's Auxiliary in this Diocese for the first 30 years of its existence.

REPORT OF THE CORPORATE GIFT

At the Triennial of the Woman's Auxiliary in October at Washington, it was decided to raise \$50,000 on the Corporate Gift, this all to be paid by Epiphany, 1930.

During the last Triennium the Diocese of Northern Indiana gave more than \$500.00, being one of the five dioceses out of 109 on the honor roll for oversubscribing.

To date I have received the following amounts:

St. John's, Elkhart.....	\$ 10.00
St. James', South Bend	10.00
St. John's, Bristol.....	2.50
Trinity, Fort Wayne.....	20.00
St. Andrew's, Kokomo.....	8.63
St. Mark's, Howe.....	9.50
St. Paul's, Hammond.....	20.00
St. Mary's, Delphi	10.00
Good Shepherd, East Chicago.....	20.00
	<hr/>
	\$ 108.13

I have a pledge from Gethsemane, Marion for \$15.00 and from Christ Church, Gary for \$25.00 which will be paid before January, 1930

(Signed) MRS. L. B. FAUST, Chairman.

EDUCATIONAL DEPARTMENT

The Educational Department of the Woman's Auxiliary again sponsored the Lenten Study Classes throughout the Diocese and report splendid co-operation in all parishes participating. Africa as the study object proved of genuine interest because of the comparative newness of the source material. The experiment of providing a circulating library to augment the study book information was successful and will be repeated for the next season.

The World Mission of Christianity is the theme for the educational work in 1930. This subject is based on studies of the report of the Jerusalem Conference of 1928, and it is to be hoped that the universality of the topic will make such an appeal that not only the women but the men in each parish and mission of the Diocese will want to participate in the discussion. The Department closed its season with all debts paid and a small balance in the treasury.

(Signed) MRS. ROBERT HAPP,
Educational Secretary.

REPORT OF THE CHURCH PERIODICAL CLUB FOR THE YEAR 1928

We have 9 branches. 59 current periodicals were sent regularly by 48 donors. 718 books, secular and religious were sent out. 500 Christmas and Easter cards were distributed. \$13.00 in money was handled in all, of which \$3.00 was contributed to the Endowment Fund.

I wish to call especial attention again to the fact that postal rates for magazines, etc., are now 1 cent for each 2 ounces, no zoning, so it no longer matters to what distance they are sent.

It is hoped that every C. P. C. officer will remember the C. P. C. and call upon others to remember it at the Holy Communion on the first Sunday in May, this coming Sunday, as this is the day on which we are asked especially to pray for the work. Let us feel that we are all joined in prayer for the work we are doing.

Respectfully submitted,

(Signed) MRS. D. J. CAMPBELL,

ANNUAL REPORT OF THE GIRLS' FRIENDLY SOCIETY (1928)

The Girls' Friendly Society in the Diocese of Northern Indiana has at present six branches in the following parishes:

	Membership in each branch

Gethsemane, Marion	32
St. Andrew's, Kokomo	39

Membership in the Diocese

Active Associates	28
Honorary Associates	10

Candidates	0
Total Membership	152

Regular meetings of the Diocesan Council were held January 28 and 29, in Marion, with Gethsemane Branch hostesses; May 5 and 6, in Goshen with St. James' Branch hostesses; and the annual diocesan meeting, September 8 and 9, in Mishawaka, with St. Paul's Pro-Cathedral Branch, Mishawaka, and Trinity Hungarian Branch, South Bend, hostesses.

The annual meeting at the Pro-Cathedral was a very impressive, beautiful and happy one, with the Rt. Rev. Campbell Gray and the Very Rev. Lewis C. Rogers in charge of the services; with Mrs. Cleon E. Bigler, diocesan president, presiding at the meetings; with Mrs. Lewis C. Rogers opening so completely her house to us; Mrs. Campbell Gray, Miss Catherine Stearns, and Miss Rose Lukacs looking after all the guests in such a hospitable manner; the delicious Hungarian food prepared as only the mothers of the G. F. S. members of Trinity Hungarian Branch know how; the Hungarian folk dances given by the girls from the South Bend Branch; and every one in both branches, Mishawaka and South Bend, making our visit one never to be forgotten.

Miss E. Winifred Dunkle, the G. F. S. Provincial Field Secretary for Province V was the guest of the diocesan organization at this meeting.

Then we had not the faintest idea that this would be the last meeting that we would be privileged to have Mrs. Cleon E. Bigler preside as our diocesan president. She who has made it possible for us to make such forward steps, carried us on to higher and finer things, and who, by her ability, and faithful and untiring leadership, has made the Holiday House each year such a success, and the Girls' Friendly Society in the diocese a growing and worthwhile organization.

On National Hospital Day, May 12th, we held an Ice Cream Social. In spite of the bad weather there was a fair attendance.

On May 15th one of our much loved members, Miss Frances Gillis, died after an illness of one year's duration. The funeral services were held at her home in Kendallville, Indiana. Six St. Barnabas nurses acted as pall-bearers.

In June we had an election of officers as follows:

The Ven. Howard R. White—Chaplain.

ANNUAL DIOCESAN COUNCIL MEETING OF THE G. F. S.

(October 26th and 27th, 1929)

The sixth annual meeting of the Girls' Friendly Society in the Diocese of Northern Indiana was held in Marion, Saturday and Sunday, October 26th and 27th.

The opening service was held in Gethsemane Church at 4:30 P. M. Saturday with the Rev. F. B. B. Johnston in charge of the Girls' Friendly Service.

The diocesan president, Mrs. W. H. Fritz, presided at the business meeting following the Service. Mrs. Robert B. Gregory of Chicago, the Provincial Vice-President of the Girls' Friendly Society in the Mid-West Province, and delegates from Fort Wayne, Kokomo, South Bend and Marion were present at the meeting.

Mrs. Fritz gave an excellent report of her work as diocesan president during the year. Miss Daisy Ervington, head of the Department of Activities, was unable to be present, but sent a good report of the work accomplished by her department. Mrs. Fritz told of the pledge of \$2,500 for St. Andrew's Mission, Mayaguez, Porto Rico, made by the G. F. S. A., the new national missionary object toward which all branches in the nation will work during 1930.

Miss Mabel Cole, diocesan treasurer gave a fine report, showing a balance of \$141.28 in the general treasury, and a balance of \$179.00 in the Holiday House Fund.

In the absence of Mrs. George Shaw, head of the Department of Housing, the Holiday House report was read by Miss Mildred Grosvenor. The report showed quite an increase in the number of girls that enjoyed Holiday House in 1929 over former years, and a surprising amount of money cleared by Mrs. Fritz for the Holiday House Fund.

Splendid branch reports were given by Miss Margaret Ferguson for Trinity Branch, Fort Wayne, by Miss Alice Meidal for St. Andrew's Branch, Kokomo, by Miss Rose Lukacs for Trinity Hungarian Branch, South Bend and by Miss Virginia Pearson for Gethsemane Branch, Marion.

A budget for 1930 drawn up by the finance committee, Miss Mabel Cole, Chairman, and Miss Daisy Ervington was adopted.

An amendment to the constitution that had been proposed and outlined by Mrs. Fritz at the Diocesan Council meeting held in Fort Wayne last May was adopted, making it possible to omit the January Council meeting from the calendar. The Diocesan Council shall now hold regular meetings in May and October. One of these meetings shall be held at the same time and place of the annual meeting, and all business transacted formerly at the January meeting shall be taken care of at the October meeting.

The dinner Saturday evening was held in the Marine Room of the Hotel Spencer. Miss Alice Goldthwaite, an Associate of Gethsemane Branch, acted as hostess. Mrs. Dolores Kersey Nussbaum, violinist, and Miss Betty Nussbaum, pianist, entertained the guests with beautiful musical numbers during the dinner.

Everyone was very happy when the Bishop, Mrs. Gray and the delegates from Mishawaka arrived. After the dinner, the Bishop delighted the guests with a most amusing tale of the difficulties of their motor trip to Marion.

Other short after dinner talks were given by Father Johnston, Mrs.

Gregory, Mrs. Fritz, Mrs. Gray, Mrs. I. N. Miller, Miss Martha Grosvenor, Miss Alice Goldthwaite, and Mrs. J. M. Ballard.

The guests were invited down stairs in the hotel for two games of bridge.

The evening came to a close with a beautiful and impressive meditation and preparation service for the Corporate Communion on the "Ministry of Offering", given by Mrs. Gregory.

The Corporate Communion held in Gethsemane Church Sunday morning at 7:30 A. M. with the Bishop as Celebrant was well attended. The offering of a little over \$13.00 was given to the Bishop for extension work in the diocese.

Breakfast was served in the Parish House following this service, at which Mrs. Netta Johnson, an Associate of Gethsemane Branch acted as hostess.

The second business session was held immediately after breakfast. All business was finished and the following officers for 1930 were elected:

President, Mrs. W. H. Fritz, Fort Wayne.

Vice-President, Mrs. I. N. Miller, Kokomo.

Secretary, Miss Alice Ferguson, Fort Wayne.

Treasurer, Miss Mabel Cole, Marion.

Head of the Department of Activities, Miss Margaret Overshiner, Marion.

Head of the Department of Housing, Mrs. George Shaw, Goshen.

Head of the Department of Membership, Mrs. W. H. Fritz, Ft. Wayne.

Head of the Department of Finance, Miss Mabel Cole, Marion.

Head of the Department of Publicity, Miss Margaret Overshiner, Marion.

Two elected members of the Diocesan Council,

Miss Mildred Grosvenor, Fort Wayne.

Miss Virginia Pearson, Marion.

Visiting officers and delegates attended the high Mass in Gethsemane Church at 10:45 A. M. Father Johnston was the Celebrant and Bishop Gray preached a very wonderful sermon.

Mrs. J. M. Ballard, an associate of Gethsemane Branch, acted as hostess for the closing dinner served at one o'clock in the private dining room of the Hotel Spencer.

Submitted by,
MARGARET OVERSHINER.

EXECUTIVE BOARD MEETING OF THE WOMAN'S AUXILIARY

(June 20, 1929)

An Executive Board Meeting of the Woman's Auxiliary of the Diocese of Northern Indiana was held at "B's Inn", Pretty Lake, near Plymouth, Ind., on Thursday, June 20th, 1929.

The meeting was called to order at 2:15 P. M. Prayers were led by the Bishop. The following members were present: Bishop Gray, Mrs. Geo. F. Hitchcock, Miss Alice Goldthwaite, Miss Gertrude Green, Mrs. W. J. Cordick, Mrs. S. R. Pace, Mrs. G. M. Leslie, Mrs. G. W. Gardner, Mrs. A. P. F. Gammack, Mrs. E. J. Christman, Miss Frances Haberly, and Miss Nellie Mullinex. It was also a pleasure to have present the newly elected Auxiliary President at Gethsemane, Marion, Miss Edna Johnson.

Miss Green, Treasurer, reported only a few receipts and expenditures since the Annual Meeting, the balance on hand being \$308.08. The report was approved.

Expenses to the Executive Board Meeting and one or two other small bills were presented and authorized paid.

The question of pledges and gifts was discussed and it was thought wise for letters to go out in the fall urging support from all parochial Auxiliary and Guild organizations.

New stationery being needed, it was moved by Miss Goldthwaite that the President be authorized to obtain such stationery, with names of Auxiliary officers printed thereon. Seconded and carried.

Some communications were read, among them a letter from Miss Edna B. Beardsley, Assistant Secretary of the Woman's Auxiliary to the National Council, regarding sending us someone as speaker at the District Meetings. Miss Beardsley explained that a field worker could hardly be obtained for detached meetings, but that if the services of a field worker could be advantageously used for a month or two, she would endeavor to make such arrangements. It was moved, seconded and carried that the Secretary write Miss Beardsley finding out whom she might send, and upon obtaining this information, write the various parishes and missions to find out what appointments could be made for the field worker.

The U. T. O. Report was given by Mrs. Cordick. Moved, seconded and carried that the report be accepted.

No Box Supply Report could be made, as the 1929 Fall assignment had not yet been received. Mrs. Hitchcock explained that there had been no 1929 Spring allotment because the 1928 fall allotment had been heavy.

The Daughters of the King had no report, but requested the Bishop to give them a definite assignment for the coming year. The Bishop said that a purple set of vestments was needed for the diocese.

Mrs. Leslie, as Social Service Secretary and Chairman of St. Luke's Hospital Fund, reported that she had been requested by the National Chairman to continue her work on this fund.

Plans for "Adventuring with Christ" (A Program for the Children of the Church in the Province of the Mid-West) and the "Crusade of Youth" (A Spiritual Crusade of the Young People of the Province of the Mid-West), two wholly separate movements, were given by Bishop Gray.

Adjournment.

Respectfully submitted,

NELLIE MULLINEX, Secretary.

NOTE: Spring U. T. O. Report is not here printed, as complete report is given with other reports of annual meeting.

W. A. EXECUTIVE BOARD MEETING, DEC. 11, 1929

An Executive Board Meeting of the Woman's Auxiliary of the Diocese of Northern Indiana was held at the Bishop's House, Mishawaka, Indiana on Wednesday, December 11th, 1929.

The meeting was called to order at 11:10 A. M. Prayers were led by the Bishop. The following members were present: Bishop Gray, Mrs. Geo. F. Hitchcock, Miss Gertrude Green, Mrs. W. J. Lockton, Mrs. Robert Happ, Mrs. S. R. Pace, Mrs. G. M. Leslie, Mrs. A. P. F. Gammack, Mrs. W. J. Cordick, Mrs. W. H. Fritz, Miss Frances Haberly, Mrs. D. J. Campbell and Miss Nellie Mullinex.

The minutes of the Executive Board Meeting held June 20, 1929 were read. Correction was made in the spring U. T. O. total, the custodian saying that a small amount should be added to the amount reported at that time, and that the total should be \$528.60 instead of \$501.30. The minutes, as corrected, stand approved.

The treasurer's report, as appended, was given by Miss Green, and was approved. The president called attention to the fact that some places which pledged last year have not yet sent in this year's pledge. It was agreed that the treasurer should write such places.

It was moved by Mrs. Gammack, seconded by Mrs. Lockton and carried that the name of Mrs. Jennie Meade, our former Corporate Gift Chairman, be sent to 281, New York, by the Secretary so that her name may appear in the memorial record of the annual report of the Woman's Auxiliary to the National Council.

The U. T. O. report, as appended, was given by Mrs. Cordick, who stated that the total for 1929 is more than we have ever before had in one year. Report was approved.

No Corporate Gift report was made at this meeting.

The Box Supply Secretary reported that 15 parishes had been written and favorable responses received. Some parishes are sending money instead of boxes. This is very satisfactory and when done, should be sent to Mrs. T. K. Wade, Supply Secretary, 281 Fourth Ave., New York City, N. Y. The report, as approved, is attached.

No Social Service report was made. The question of sending a delegate to the State Social Service meeting was discussed.

At the suggestion of the Bishop, the following resolution, made by Mrs. Happ and seconded by Miss Haberly, was passed:

Resolved, That a resolution be presented to the Bishop and Council from the Woman's Auxiliary Executive Board asking consideration of the advisability of placing W. A. representatives on the various departments of the Council.

A brief report from the St. Barnabas Guild of Nurses, as attached, was read, and accepted.

The C. P. C. Chairman reported one new branch, East Chicago, including Whiting.

The G. F. S. report as attached was read by Mrs. Fritz and approved. The report of the Daughters of the King was given by Miss Haberly and was approved, as attached.

Report of the District Chairman for the South Bend District was given by Mrs. Gammack and approved. All District Meetings being similar in character and Chairmen of other districts not being present, reports from other districts were omitted. It was not considered necessary to have the minutes from each meeting, all of which had been received, read.

The suggestion was made by Miss Green, treasurer, that the district offerings should go through the W. A. books, to which all agreed.

Noonday Prayers for Missions were led by the Bishop.

12:30 luncheon.

At 2:10 the Educational Secretary gave her report. She spoke of the interesting time she had been having in sessions of the Church School Institute; she also discussed the study book for 1930. A great

need in educational work is that there should be one person appointed in each parish as Educational Secretary for that parish.

The question raised by Miss Goldthwaite by letter, "Are we not approaching the time when a District Chairman can be chosen for a period of three years?" was considered. It was moved by Mrs. Lockton, seconded by Mrs. Cordick and carried that we recommend to the Annual Meeting a change in the By Laws by which the District Officers be elected for a term of three years (beginning with the next triennium).

Also the following question was raised through Miss Goldthwaite's letter: "Shall we continue to have a Memorial at each annual of the women who have been called from their labors during the past year?" It was decided, without motion, to bring this matter up at the annual meeting.

A letter regarding the Retiring Fund for Deaconesses was read, but no action taken regarding it.

The Bishop gave to the Board the date of the next annual meeting, Wednesday, April 30th, at LaPorte.

Adjournment 3:00 P. M.

Respectfully submitted,

NELLIE MULLINEX, Secretary.

NOTE: Reports given Dec. 11th are not here printed. To avoid confusion only the complete annual reports given at the annual meetings are printed.

MINUTES OF 31ST ANNUAL AUXILIARY MEETING

(April 30, 1930)

The 31st Annual Meeting of the Woman's Auxiliary of the Diocese of Northern Indiana was held in St. Paul's Church, LaPorte, Ind., Wednesday, April 30, 1930. There was a Celebration of the Holy Eucharist at 9:00 A. M., the Rev. Alexander E. Pflaum of St. Andrew's, Valparaiso, being Celebrant.

The meeting was called to order at 10:45. Prayers were led by the Bishop.

A welcome was extended by the Rev. Geo. J. Childs, Rector of St. Paul's, LaPorte.

Roll call found representatives present as follows: Bristol, St. John's—1; East Chicago, Good Shepherd—11; Fort Wayne, Trinity—1; Hammond, St. Paul's—12; Howe, St. Mark's—1; Huntington, Christ Church—2; Indiana Harbor, St. Alban's—5; LaPorte, St. Paul's—16; Logansport, Trinity—3; Michigan City, Trinity—2; Mishawaka, Pro-Cathedral—5; Plymouth, St. Thomas—2; South Bend, St. James'—13; Valparaiso, St. Andrew's—4; Bishop and Clergy—5; Total 83.

The Bishop's address followed. The resignation of Mrs. Geo. F. Hitchcock, President, was announced with great regret and with much appreciation of her service. Mrs. Robert Happ's appointment as President to succeed Mrs. Hitchcock and Mrs. Walter Crandell's appointment as Educational Secretary to succeed Mrs. Happ were also announced.

Plans for the Advance Work were outlined. We are almost certainly to receive \$17,600 for work in this diocese, \$10,000 for the Calumet District and \$7,600 with which to finish paying the mortgage on Trinity (Hungarian) Mission, South Bend and with which also to purchase certain adjoining property which is much needed by that congregation. But

we too are asked to do our share in the Advance Work and the National Council has asked us to raise \$3000 toward the building of a rectory at Rugby, North Dakota. The rectory is to cost \$7000.00 but the people there will raise \$4000.00.

Our receiving \$17,600.00 is not dependent upon our raising \$3000.00 but it is to be remembered that if we do not raise the \$3000.00, there will be no rectory at Rugby, North Dakota for the people there have no other source to which they may turn. The Woman's Auxiliary is asked to help in raising this money and the Corporate Gift is to go toward this purpose.

Followed the President's address. Mrs. Hitchcock spoke of the Church's request for prayers for Russia and for World Peace. She stressed the privilege and duty of the Auxiliary to help with the Advance Work since we are requested so to do by the National Church. She urged complete cooperation of Guilds with the Auxiliary. She mentioned the fact that we have 19 parishes and 11 missions, a total of 30, with 22 Auxiliaries reporting. There are, however, some places that are doing Auxiliary work though not reporting as organized Auxiliaries. She brought special attention to the social service work which will be carried on under Mrs. A. P. F. Gammack appointed as successor to Mrs. G. M. Leslie. She spoke with deep regret of the death of two Presiding Bishops, John Gardner Murray and Charles Palmerston Anderson, both of which deaths have occurred since our last meeting.

The minutes of the previous Annual Meeting were read and stand approved.

A letter was read from Mrs. Standring, missionary in China, thanking the Auxiliary for the \$25.00 sent and received just before Christmas in time to bring Christmas cheer to many native children.

Reports as follows were made:

Treasurer's report as appended by Miss Gertrude Green.

U. T. O. Report as appended by Mrs. W. J. Cordick.

Corporate Gift report as appended by Mrs. L. B. Faust. Mrs. Faust pledged a Corporate Gift of \$500.00 toward the Advance Work.

Box Supply report as appended by Mrs. S. R. Pace.

Minutes of District Meetings are appended and District Chairmen were not asked to report, the minutes to be included in general acceptance of reports. District Chairmen are, however, asked to send in any suggestions for improvements of District Meetings and to get them in in time so that they may be used in the coming fall meetings.

Daughters of the King report was read by the Secretary. Report is appended. Social Service was discussed by Mrs. A. P. F. Gammack followed by a discussion of ways and means by the Bishop. In doing social service work, three outstanding purposes should be kept in mind, namely, reaching the soul of the person aided, uplifting the community and placing the Church squarely back of paid social service workers so that they may definitely know that they have the sympathy and support of the Church. The many splendid articles in the Spirit of Missions regarding Social Service work was mentioned by Mrs. Cordick.

The offering was taken up, and it being noon, prayers for missions and intercessions from the Book of Remembrance were said by Arch-deacon Gubbins, special mention being made of names of those deceased during the past year.

At the Bishop's request the Auxiliary unanimously confirmed his appointments as follows:

President, Mrs. Robert Happ; Educational Secretary, Mrs. Walter Crandell; and Social Service Secretary, Mrs. A. P. F. Gammack.

Mrs. Fickenscher moved, seconded by Mrs. S. R. Pace that the offering be used for expenses, any balance to go toward the Advance Work. (Note: A similar action was taken regarding the offering the following day from the Diocesan Council. Results were W. A. Offering, \$28.34; Council Offering, \$38.90; total, \$67.24; Expenses, \$40.00. This left \$27.24 for the Rugby Rectory Fund Advance Work).

Luncheon at 1:00 P. M. At 2:00 P. M. reports were resumed. The C. P. C. report as attached was given by Mrs. D. J. Campbell. Parochial Auxiliary and Guild Reports received were enumerated with the request that these be included in general acceptance of all reports for printing in the Year Book.

There was no report from the St. Barnabas Guild of Nurses.

Mrs. Walter Crandell, Chairman of the Committee on Recruiting Missionaries and Church Workers, reported what had been done in an effort to secure recruits. None have so far been secured, but efforts will continue.

Mrs. Robert Happ reported on her work as Educational Secretary and gave a brief talk on the Jerusalem Conference.

The speaker for the evening, Bishop Wise of Kansas, having arrived, was welcomed by the Auxiliary and responded with a few words of greeting.

Matters regarding the constitution were taken up. Referring to Article VIII, it was evident that the constitution could not be amended at the present meeting since the requirement of two months' notice had not been fulfilled, but it was decided that points for amendment could be outlined so that amendment could be made at the next annual meeting.

Mrs. Fickenscher outlined the following points:

1. "Social Service Secretary" should be inserted in Article IV of the Constitution.

2. The word "before" should be substituted for the word "following" in Section 6 of Article VII.

3. The three District Chairmen should be elected for a period of three years at the meeting held the year before the Triennial convenes.

In accordance with these last two points, Section 6 of Article VII would then read:

"The outgoing Board shall elect a Nominating Committee, who with the Bishop's approval, shall place in nomination at the annual meeting before every Triennial Meeting, all officers on the Board except the three District Chairmen who shall be elected for three years at the meeting of their respective districts held the year before the Triennial convenes."

Mrs. Fickenscher moved, seconded by Mrs. Campbell and carried that these proposed changes be referred to the branch presidents.

The Bishop brought up the question of the time of meeting, asking if they would like to have both diocesan meetings, i. e., the Annual Meeting of the Woman's Auxiliary and the Diocesan Council on the same day, meeting together for the Conciliar Eucharist and the Bishop's address and separately for business sessions. This was unanimously voted down because such an arrangement would prohibit the Bishop's presence with the Auxiliary for more than very brief intervals.

Reference was made to a portion of the December 11, 1929 minutes of the Executive Board meeting which reads as follows:

"The following question was raised through Miss Goldthwaite's letter: "Shall we continue to have a Memorial at each annual of the women who have been called from their labors during the past year?" It was decided without motion to bring this matter up at the annual meeting."

After some discussion it was moved by Mrs. Jennings, seconded by Miss Green and carried that the campaign for funds be closed, but that names be continued to be entered in the Book of Remembrance and that voluntary offerings be accepted.

Nominations for four delegates and five alternates to the Provincial Auxiliary meetings to be held in the fall in Springfield, Ill., were made from the floor as follows: Delegates: Miss Green, Mrs. Faust, Mrs. Crandell and Mrs. J. B. Shick. Moved by Mrs. Fickenscher, seconded and carried that the Secretary be instructed to cast the ballot for the above named nominees as delegates. Alternates: Mrs. Gammack, Mrs. Rogers, Mrs. Cordick, Mrs. Fickenscher and Miss Mullinex. Moved by Mrs. Fickenscher, seconded by Mrs. Campbell and carried that the Secretary be instructed to cast the ballot for above named nominees as alternates.

Miss Goldthwaite's offer to assume Auxiliary Chairmanship of the Bishop's House Fund whenever the Bishop wishes the Auxiliary to assume this work was discussed. It was moved by Mrs. Cordick, seconded and carried that whenever the Bishop is ready for the Auxiliary to assume this obligation, he ask Miss Goldthwaite to take charge of the work.

It was moved by Mrs. Cordick, seconded and carried that a vote of thanks be given St. Paul's for their very fine hospitality. A standing vote of appreciation was given.

With the Bishop in the Chair, a standing vote of unanimous consent was given the following resolution:

Whereas it has been necessary because of serious eye difficulties for Mrs. Geo. F. Hitchcock, our President, to resign from the duties of her office,

And whereas we, the members of the Woman's Auxiliary, are greatly indebted to her for her devoted service and her wisdom in leadership, and have come to love her for the purity of her spiritual qualities and her personal charm as expressed in her relations with us all,

Be it therefore resolved that we express to her our regret at the necessity of her resignation, the assurance of our prayers for her speedy and complete recovery, and the knowledge that she will ever hold a place of the highest esteem and love within our hearts.

The G. F. S. report as attached was read by the Secretary.

Moved, seconded and carried that all reports be accepted.

Adjournment.

Respectfully submitted,

NELLIE MULLINEX, Secretary

SPRING REPORT

Have written twenty-four letters asking for Store Room Supplies. Have had several answers inquiring just what these supplies consist of.

Respectfully submitted,

MRS. S. R. PACE

DAUGHTERS OF THE KING

Last January the work among the isolated was begun. Letters were sent out from the list the diocese had. We found many removals. Some wanted to take the Home Study Course, others wanted Church literature sent to them regularly.

The Religious Education for the isolated has been worked out wonderfully by the Department of Religious Education at the Church Missions House. Text books can be had. Splendid books can be borrowed from the extension library for only the postage on the books both ways. The dioceses which stress the religious education of the children by mail find their work progressing most rapidly and win a deeper interest from the adults.

Some of the women's groups are making the establishment of a diocesan library their project for the diocese this year. A diocesan library saves postage as the books do not have to be sent so far.

If anyone knows of an isolated family or "shut in", a blank will be sent them which when filled out will keep us in constant touch with them. Please send the name and address to me at 1126 W. Jefferson St., Fort Wayne, Ind., or to Archdeacon Gubbins, 521 W. Berry St., Fort Wayne, Ind. Our Church Periodical Club is sending out the magazines.

A set of purple vestments to be worn by the Archdeacon, but to be

the property of the diocese, were made. Donations for the purple vestments were received from Howe School; Girls of St. Mary's Guild, Plymouth; Woman's Auxiliary, Gethsemane, Marion; St. Andrew's Altar Guild, Kokomo; Miss Elizabeth Springer; St. Luke's Guild, Hartford City; Mrs. Gaylord M. Leslie; Woman's Auxiliary, Delphi; and \$5.00 from St. Luke's, Columbia City.

A dozen purificators were given Bishop Gray.

Howe School gave a commission for two Altar cloths for Mrs. White's Memorial Altar in the Mother's Chapel at the school. The embroidery was beautifully done at the Convent of the Holy Nativity, Fond du Lac.

An Advance Conference for Educational Leaders will be held in St. Louis next week, May 5th to 8th, 1930, with a very interesting program.

Miss Edna Eastwood, Secretary of the Home Study Course, has been untiring in her efforts to help us. She is very much interested in our work and sends greetings to the Annual Meeting.

(Signed) FRANCES HABERLY, Supervisor.

CHURCH PERIODICAL CLUB

We have 9 parish branches. 76 periodicals are sent regularly, also odd numbers of The Christian Nurture Leaflet. 350 Christmas cards, and one book were sent.

Through Archdeacon Gubbins we are reaching the isolated with magazines, so far but two magazines have been offered. We hope the whole diocese will respond to this need, as much good can be accomplished in this way.

Three parishes have given \$1 each for the Endorsement Office and two \$1.00 each for support of the diocesan office.

East Chicago has established a branch this year and is doing very well.

Please all remember that the rate is now one cent for each two ounces, no zoning, so distance makes no difference.

You are doing Social Service and Religious Education work when you take part in C. P. C. work.

Respectfully submitted,

MRS. D. J. CAMPBELL, Diocesan Director.

ST. BARNABAS GUILD FOR NURSES

Our St. Barnabas Guild has not been very active this year as a number of our nurses have left Huntington. Some have married and several of the students are attending the University School in Indianapolis. We hope to do better next year. Our funds have been so limited that we have not been able to do very much. We sent a basket of fruit to the Methodist Home for old people and expect to do the same at Christmas.

(Above report made Dec. 11, 1929 at Executive Board Meeting).

ANNUAL REPORT OF THE GIRLS' FRIENDLY SOCIETY IN THE DIOCESE OF NORTHERN INDIANA

There are a total of 131 members in the Girls' Friendly Society in the Diocese of Northern Indiana with the following number in each parish: Trinity, Fort Wayne, 33; Gethsemane, Marion, 32; St. Andrew's, Kokomo, 20; Trinity (Hungarian) Mission, South Bend, 14; St. Paul's Pro-Cathedral, Mishawaka, 18; St. James', Goshen, 14; total, 131.

The honorary associates number 24, active 1, probationers 7, members 83 and candidates 6.

Last year three council meetings were held, the first, February 9th

and 10th at Kokomo, the second, May 11th and 12th at Fort Wayne, and the annual meeting October 26th and 27th at Marion with Gethsemane branch hostesses. Bishop and Mrs. Gray were our guests at all of the above mentioned meetings.

At the May meeting plans were made for Holiday House at Lake Barbee, Indiana, dates June 15th to 23rd inclusive. Miss E. Winifred Dunkle, Field Secretary in the Fifth Province was asked to be our guest and leader of classes at Holiday House.

Pledges were made to the National Budget as follows: St. Andrew's, Kokomo, \$10.00; Trinity, Fort Wayne, \$10.00; Gethsemane, Marion, \$10.00; Trinity, South Bend, \$5.00; St. Paul's Pro-Cathedral, Mishawaka, \$5.00, making a total of \$40.00 which was paid in full before November 15th.

Eleven girls were admitted in the Fort Wayne branch as senior members at a special service provided for that purpose the third Sunday in Lent.

DEPARTMENT OF ACTIVITIES

I. At the three council meetings held in 1929, the Priest in each parish held a Corporate Eucharist at 7:30 for the delegates, and the alms at each service was given to the Bishop's Emergency Fund.

Miss Ervington, head of Department of Activities, reported that the fund for the Women's Unit, St. Mark's Hospital, Cape Palmas, Liberia, which has been our missionary object for several years, would be completed in 1929. As a matter of fact, it was oversubscribed \$1,000.

Each branch held a Corporate Communion on Whitsunday with the Priest in each parish Celebrant, and the missionary offering was presented at this time. This offering was sent to the National G. F. S. missionary object mentioned in the preceding paragraph.

At the Annual Meeting in Marion last year, Mrs. Robert Gregory, Vice President of the 5th Province, gave a beautiful and impressive meditation and preparation for the Corporate Communion on "Ministry of Offering."

II. Pledges paid to Churches for use of Parish Houses.

III. Each branch gave to Missionary Offering, St. Mark's Hospital, Liberia.

IV. Diocesan gifts, Missionary Offering, total \$47.81.

V. Branch gifts social service. Trinity, Fort Wayne and Gethsemane branch Marion, members of the National Needlework Guild.

Trinity and Gethsemane Branches—Christmas baskets, parties at Children's and Old Ladies' Homes, Thanksgiving baskets, money gifts, Community Chest.

VI. Branch gifts to individuals within branch.

Cards and flowers to sick. Delegates to Holiday House were sent by members of each branch.

VII. Branch gifts to diocesan budget. Each branch paid their quota in full, the first time since they were organized.

VIII. Branch money to G. F. S. National Purposes—Five branches paid \$40.00 to National Budget.

DEPARTMENT OF HOUSING

In connection with this phase of the year's program we have prepared a report on our Holiday House for last year as follows:

The most successful and peppiest week ever held at the G. F. S. Holiday House at Barbee Lake. of the week of June 15-23rd will never be forgotten by all the girls who attended.

Every branch in the diocese, with the exception of South Bend, were represented. Forty-four enrolled for the week end and twenty-five for the entire week.

Several of the girls' parents visited the camp throughout the week.

Father Kellam of Kokomo, our Chaplain, had charge of the song services, which were held every evening at 5 o'clock and taps were sung before retiring.

Each morning at 8 o'clock the girls did their "daily dozen" under the direction of Mrs. Fritz, our charming house mother.

We were very fortunate in having Miss Dunkle, our Field Secretary, of Chicago, who conducted a class in Program Making.

A Model Branch Meeting was held, the chairman of the five different departments being appointed, and four girls helped on each committee. Each day, the committees planned their program for the year, and reported at the meeting. Very lively discussions made the class most interesting. The Recreation Committee planned the games which ended each "Branch Meeting." As Miss Dunkle had to leave on Thursday, the class was placed in charge of Miss Mabel Cole, who summed up the work Miss Dunkle had given us and made out our own branch program for the year.

Bathing, rowing and hiking were the most popular recreations.

Sunday night Father Kellam treated us to pop corn and we were invited over to Mrs. Miller's and enjoyed ourselves singing songs, etc.

Monday—a Bunco party was given at Mrs. Miller's.

Tuesday—A beach party. A high bonfire was built and weinies and marshmallows were toasted, with a delicious "feed."

Wednesday evening was Stunt Night. Father Rocca and several people drove over from Fort Wayne. Many clever stunts were given with Fort Wayne and Kokomo winning the prizes. Every G. F. S. girl was initiated into a secret society, organized by Fr. Kellam, which created much amusement.

Thursday night all drove over to Waco to dance, and arrived at camp about one A. M.

The Treasure Hunt was Friday afternoon with the Bandits winning from the Pirates. The treasures were candy bars, which made quite a hit after all the strenuous running around.

Friday evening a pageant of the Four Elements written by the Rev. Irwin St. John Tucker, of Chicago, for the Provincial Conference was given on the lawn. Those taking part were LeEtta Siebold, Margaret Ferguson, Mary Gray, Alice Miedal, Rosanna Haven and Mabel Cole.

As it was Father Kellam's last evening with us, Mrs. Miller invited us to her cottage again and each branch sang its prize song. The judges, Father Kellma, Mrs. Miller and Mrs. Massey chose the song "Barbee" written by the Marion group, and complimented all the others, as it was very hard to choose the best.

Mrs. Miller served lemonade, cakes and candy and everyone enjoyed a wonderful evening.

We had quite a surprise Saturday night, when the supper bell rang, to find the tables beautifully decorated with pink roses, pink nut cups and favors and a large birthday cake lighted with candles. It was the birthday of Elizabeth Evans of Fort Wayne and Mr. and Mrs. Evans had planned it all. This added much to the many good times we were having.

After supper each cottage had their own party to do as they pleased.

Bishop Gray celebrated at the Corporate Community on Sunday morning, which was a fitting climax to the most wonderful week ever held at Barbee. The offering of \$1.50 was given to the Bishop.

Father Kellam has promised to build an outside altar for us, so we will have it for next year. We appreciate his thoughtfulness and help in making the lake more suitable for G. F. S. services.

During the week the girls became interested in a little invalid boy, who lives nearby. It became known that he wanted a radio, so a collection of over \$5.00 was given to him to help buy one.

We certainly have Frances Arnold, our cook, to thank for the wonderful eats, Father Kellam for his services and Mrs. Fritz, our Diocesan President, for her untiring efforts in making this camp so successful, and last but not least Mrs. Miller for her generous donation of the cottages. It will never be forgotten by all those who were there.

MINUTES OF THE SOUTH BEND DISTRICT MEETING

The meeting of the South Bend District was held in St. John's Church, Elkhart, on Wednesday, October 30, 1929.

The rector of the parish, Fr. Lockton, celebrated the Holy Eucharist at 9:30 after which the business meeting opened with a hymn, followed by a word of welcome from the President of the Auxiliary of St. John's, Mrs. Lockton, to which the District Chairman, Mrs. Gammack, responded.

The minutes of the last meeting were read and the roll called, the following parishes responding: Bristol, 3; Elkhart, 19; Goshen, 8; Howe, 3; Mishawaka, 5; Plymouth, 1; South Bend, 9; Clergy, 6.

There followed the appointment of committees. On Resolutions: Mrs. Lockton, Chairman; Mrs. Hitchcock; Mrs. Crandall; on Nominations: Mrs. Fickenscher, Mrs. Stearns and Mrs. Dussel.

Fr. Schrock invited the Auxiliary to hold their next meeting in Goshen. The Chairman accepted with thanks.

Bishop Gray next addressed the women, first telling of the sudden death of our Presiding Bishop, of the power and wisdom shown all through his tenure of office, and of the sense of personal loss that Bishop Murray is no longer with us here.

Bishop Gray went on to say that the House of Bishops had decided to omit the third division of the working organization of the Church, giving us now (1) mission fields and (2) dioceses. He then told of the most interesting lines of Advance Work in the Church, the one for children called "Adventuring with Christ" (Literature on the subject can be had from E. E. Piper, 63 E. Hancock St., Detroit); for the young people "The Crusade of Youth." Bishop Gray spoke earnestly on this vital subject and said that by addressing Miss Virginia Zimmerman, care of Trinity Cathedral, Euclid and 23rd Sts., Cleveland, Ohio, one can receive detailed suggestions.

January 1st marks the time when the next payment in connection with the Bishop's residence will be due.

There followed an inspiring and inquiring address by Mrs. Happ, the Educational Secretary, and Mrs. Campbell's appeal for interest in the Church Periodical Club, together with Mrs. Hitchcock's report of the Indianapolis meeting, after which Archdeacon Gubbins told of the generally improved condition in the mission field of the diocese, speaking interestingly of the isolated Churchmen and of the contact kept with them by material sent from the Church Missions House, calling them "correspondence courses." He asked that such cases coming to our attention be reported.

Noonday prayers were said by Father Lockton, and a hymn was sung followed by recess for lunch.

The afternoon session was called to order and Father Roland of the Field Department, the speaker of the day, touched upon vital needs in a forceful and definite address, very real in its helpfulness.

Reports of Committees

On Resolutions:

Your committee offers these resolutions:

Be it resolved that we extend our thanks to St. John's Parish for their hospitality; and

To those members of the diocese who have helped to make this meeting the success it has been.

(Signed) NELLIE H. LOCKTON
MARY K. HITCHCOCK
LETA W. CRANDALL

On Nominations:

Chairman: Mrs. W. J. Lockton of Elkhart; Vice Chairman, Mrs. H. W. Dussel of Bristol; Secretary, Mrs. Geo. Bullock of Goshen.

It was moved and seconded that the unanimous vote of the meeting be cast for these officers.

It was moved and seconded that the offering taken at this meeting be used toward the \$220.00 due on the Bishop's residence. Motion carried.

Upon motion, the meeting adjourned.

SARAH B. YOUNG, Secretary.

MINUTES OF THE GARY DISTRICT MEETING

October 29, 1929

The District Meeting of the Gary District was held at the Church of the Good Shepherd, East Chicago. Holy Communion was celebrated at 9:30, Father Hoffenbacher, Rector of the Parish, Celebrant.

At 10 A. M. the meeting was called to order. Mrs. Elsie Hart of Hammond was Chairman of the day. Mrs. L. B. Faust of East Chicago welcomed the delegates and Mrs. Hart responded on behalf of the visiting Auxiliaries.

Roll call followed: East Chicago, 15; Gary, 2; Hammond, 10; Hobart, 0; Indiana Harbor, 1; LaPorte, 0; Michigan City, 0; Valparaiso, 0; Bishop Gray, Archdeacon Gubbins, Father Roland, Mrs. Hitchcock and Mrs. Happ.

Mrs. Hart then appointed the following committees: Nominating Committee: Mrs. J. J. Block, Mrs. Peter Langendorff and Miss Piper. Resolutions Committee: Mrs. Adams, Mrs. Mair and Mrs. Harvey.

It was then moved and seconded that we accept Dr. Hart's invitation to Michigan City for the next meeting.

Bishop Gray was then called on for announcements. He told us that it was decided to have diocesan officers and workers as speakers at these meetings instead of outside speakers as heretofore. Bishop Gray then gave a very touching account of the passing of Bishop Murray, our beloved Presiding Bishop, having been present at the meeting of the House of Bishops at Atlantic City. The meeting had been called for the purpose of electing a missionary Bishop and was held in a Church. Bishop Gray told us that when a missionary Bishop is elected the meeting is always held in a Church, a fact which all of us may not know. He then spoke of the difference in program work and advance work, program work being the work set aside to be done and advance work is new work and under a new plan each diocese will be assigned some definite advance work. He also told us of the condition of the Bishop's House Fund and the necessity for raising the interest by January 1st. The Bishop next told of the two works he is interested in in the diocese, the work among children and the young people. He spoke of a plan for a children's eight day mission and mentioned "Adventuring with Christ" by Mr. E. E. Piper, 63 E. Hancock St., Detroit, Mich., and for the youth of 14 to 25, the Crusade of Youth, by Miss Virginia Zimmerman, Trinity Cathedral, 23rd and Euclid, Cleveland, Ohio.

Mrs. Happ, Diocesan Educational Secretary, told us religion will put new life in the people, that duty makes us do things well, but love makes us do them beautifully and that education is life, not a preparation for it. She talked of the study book for this year, but said it wasn't vital that it be studied if any parish had a different educational program. She is anxious to work out any study plan with the different parishes.

Archdeacon Gubbins was called on and told of his wonderful work in the rural districts, especially mentioning Wawasee. He asked that the names of any isolated persons be sent him that the Church may reach them.

Mrs. Hitchcock gave an interesting account of the business of the Provincial House of Churchwomen at Christ Church, Indianapolis, this month. There are thirteen dioceses in the Province and they were all represented. Mrs. Hitchcock told of the resolution sent to the Synod that the Provincial House of Churchwomen be hereafter known as the Provincial Woman's Auxiliary.

It was moved and seconded that the offering be given to the Bishop's House Fund.

Noonday prayers, a hymn and the taking of the offering closed the morning session. The offering was \$10.

Luncheon was served at 12:30 by the Woman's Guild.

The afternoon session was opened at 1:30 with a hymn.

Father Roland, of the Diocesan Field Department, talked to us about the work of the Field Department. He said it was the work of the Field Department to raise money for the Diocese and the General Church work. He had some very interesting statistics showing about 1400 communicants in this district alone, 28% of all the communicants in the diocese, and if we would all do our part and get behind the Field Department the work of raising the necessary \$16,500 diocesan budget would be very little, the per capita being about \$3.30 each.

The report of the Nominating and Resolutions Committees concluded the program.

Nominees: Chairman, Mrs. L. B. Faust, East Chicago; Vice Chairman, Mrs. J. M. Sweeney, Gary; and Mrs. H. F. Warkentine, Jr. of Michigan City, Secretary. Nominations were accepted and the nominees unanimously elected.

Resolved, that this meeting of the Gary District appreciates Bishop Gray's talk on the Crusade of Youth and Adventuring with Christ, also the touching tribute he paid Bishop Murray.

Also Mrs. Happ's inspiring and instructive talk on religious education,

Also Archdeacon Gubbins' talk on his rural mission work,

Also Mrs. Hitchcock's minute report of the Provincial Meeting at Indianapolis,

Further resolved, that the women of this district express their thanks to Mrs. Hart and Mrs. Faust for their untiring work and to Father Hoffenbacher and the women of the Church of the Good Shepherd for their splendid hospitality.

MINUTES OF THE LOGANSPOUT DISTRICT MEETING

The meeting of the Logansport District was held in Trinity Episcopal Church Parish House, Fort Wayne, Oct. 31st, 1929. Holy Communion was celebrated in the Church at 9:30, Fr. Rocca of Fort Wayne being the Celebrant. St. Cecelia's Choir assisted in the hymns and responses. The meeting was called to order at ten o'clock by Mrs. G. W. Gardner of Fort Wayne, District Chairman. Mrs. Gaylord Leslie, President of the local Auxiliary, extended a hearty and cordial welcome to the delegates to Trinity Parish. This was responded to by the District Chairman, Mrs. G. W. Gardner, also of Trinity Parish.

Mrs. W. H. Fritz of Fort Wayne was appointed Secretary pro tem. The minutes of the last meeting were read and approved. Roll call was responded to by the following: Bishop Gray, Mrs. Gray, Archdeacon Gubbins, Fr. Roland, Fr. Rocca. Huntington, 3 delegates; Kokomo, 0; Logansport, 4; Peru, 0; Marion, 10; Columbia City, 2; Gas City, 2; Hartford City, 2; Montpelier, 0; Fort Wayne, 25; Total, 48.

The following committees were appointed: Nominating Committee: Miss Alice Goldthwaite, Marion; Miss Gertrude Green, Fort Wayne; Mrs. W. B. Lewis, Logansport. Resolutions Committee: Miss Edna Johnson, Marion; Mrs. L. R. Schrader, Columbia City; Miss Elizabeth Springer, Huntington.

It was announced that the next meeting would be held in Gas City and Mrs. Gardner expressed the appreciation of the District to the delegates from Gas City for their invitation.

Bishop Gray addressed the meeting first on the death of our late Presiding Bishop Murray and gave us a somewhat detailed account of his last session as he presided over the House of Bishops meeting at Atlantic City, October 3rd, 1929. Bishop Gray felt that we would like to know first hand, for, as he said, "We all know him and love him so." Bishop Gray told us of the advance work in our diocese. He spoke of the re-financing of the Bishop's residence and the need this next January of a payment of interest of \$225.00 and he reported that the treasurer had on hand \$57.51.

Bishop Gray told us of the National Church's Program in planning a Children's Crusade otherwise known as "Adventuring with Christ," for children between the ages of 8 and 14, also a similar crusade known as the "Crusade of Youth" for young people between the ages of 14 and 25. The plan is to have an eight-day mission beginning on a Sunday, similar to the one we had for Adults two years ago. These crusades are handled under the Department of Religious Education with full instructions for teachers and leaders to carry on the greatest evangelization movement ever undertaken by our Church. Literature for the conducting of these crusades may be secured from Mr. E. E. Piper, 63 E. Hancock St., Detroit, Michigan. In each parish and mission the work of this Crusade is to be directed by the Rector in charge and the Services of Special Catechisms and Instructions are planned to meet the needs of these younger children. For the Lenten season, there will be published six services to be specially appropriate. The Crusade of Youth is planned by the Young People themselves and is not primarily for the Young People's Society but for all the Young People who are hope of the Church. This program is to be very flexible inasmuch as the Young People planned it under supervision and subjected it to the approval of the National Conference of Religious Education. Bishop Gray urged each parish to line up for this program and do their share to reach out to do the Church's work.

Mrs. Geo. F. Hitchcock gave us a most interesting report of the provincial meeting held in Christ Church, Indianapolis. She said the main idea she derived from this meeting was the need of young women in the Auxiliary. She reported that of the thirteen dioceses represented and entitled to five delegates, four dioceses were fully represented. She reported the talks from Department Heads and spoke especially of the report and map used by Mrs. E. W. Averill of Fond du Lac on Church Extension which was most instructive and interesting. Mrs. Hitchcock told of the resolution presented, "That the House of Church Women request the Synod to change the name of the House of Church Women to the Woman's Auxiliary." She also spoke of the Diocesan Altar Guilds of which there are fourteen organizations and the institutions of the Province of the Midwest. At this meeting Bishop Wilson of Eau Claire gave a talk on the rural question, suggesting that our rural Churches are dull for the young people and the fact that inferior preachers and Priests are usually sent to these rural Churches. Mrs. Hitchcock closed her report with three quotations, "Life is an adventure with Christ"; "Personality is our gift to others"; and finally that "Fellowship together is to continue our religious education."

A motion was made to present the offering to the Bishop to be ap-

plied on the Bishop's House Fund. The motion was seconded and carried. Communion alms, \$3.00. Total offering, \$27.55.

Noonday prayers were conducted by Fr. Rocca in the Chapel. Luncheon was served in the dining room by the ladies of the parish.

Archdeacon Gubbins presented his report on the rural work in our diocese. He told of the two places paying rent when he came into this work, both in places of their own now, the closing of the room at Warsaw to be served once a month by Fr. Schrock, and the opening of the Church at Wawasee for services all the year through. He spoke of the larger Churches being fed by the rural Churches as people move to the larger cities and the young people go to college and settle in larger cities. He said that where the services are held once a month he had 100% attendance and deep earnestness. He told us of the material sent out by National Headquarters to scattered members, like our correspondence courses. This is supplemented by personal calls and a supervisor of these members in an effort to tie up the work into a sort of "mail order" parish.

The Girls Friendly Society in the diocese was reported on by the diocesan president, Mrs. W. H. Fritz.

The Field Department was the subject of a splendid talk by Fr. Roland in which he stressed the idea "not missions but carrying on the 'ministry of the church'". Fr. Roland has a plan—"what to be done" and "how to be done". His statistics were interesting and revealed a crying need for something to be done in this diocese. This was our missionary call.

Mrs. Robert Happ, Educational Secretary, next addressed us on the necessity of study classes and the need of definite study in each Auxiliary if we would be informed. She announced that the study book for this year is the Jerusalem Conference of 1928 held during Passiontide, the supplementary reading being splendid also. She urged each Auxiliary to study this or some other equally good subject and offered her help in planning a course.

The Resolutions Committee presented their report:

Resolved, That this meeting of the Logansport District appreciates Bishop Gray's helpful and inspiring talk on the Program of the National Church.

That the death of Bishop Murray has saddened our hearts and our sympathy goes out to Mrs. Murray and his family in their great loss.

That the passing of Mrs. Meade, who gave so freely of herself to the Church has left a great void in our diocese.

That Mrs. Hitchcock's report of the Provincial Meeting was most thorough and interesting.

That Mrs. Happ's talk on the Educational work of the Church was most instructive.

That Fr. Roland's talk of the work of the Field Department was most forceful and enlightening.

Be it further resolved: That an expression of appreciation be extended to the Rector and the ladies of Trinity Parish for the beautiful Service and their delightful hospitality.
